(57) **CLAIM**

The ornamental design for film for packaging, as shown and described.

DESCRIPTION

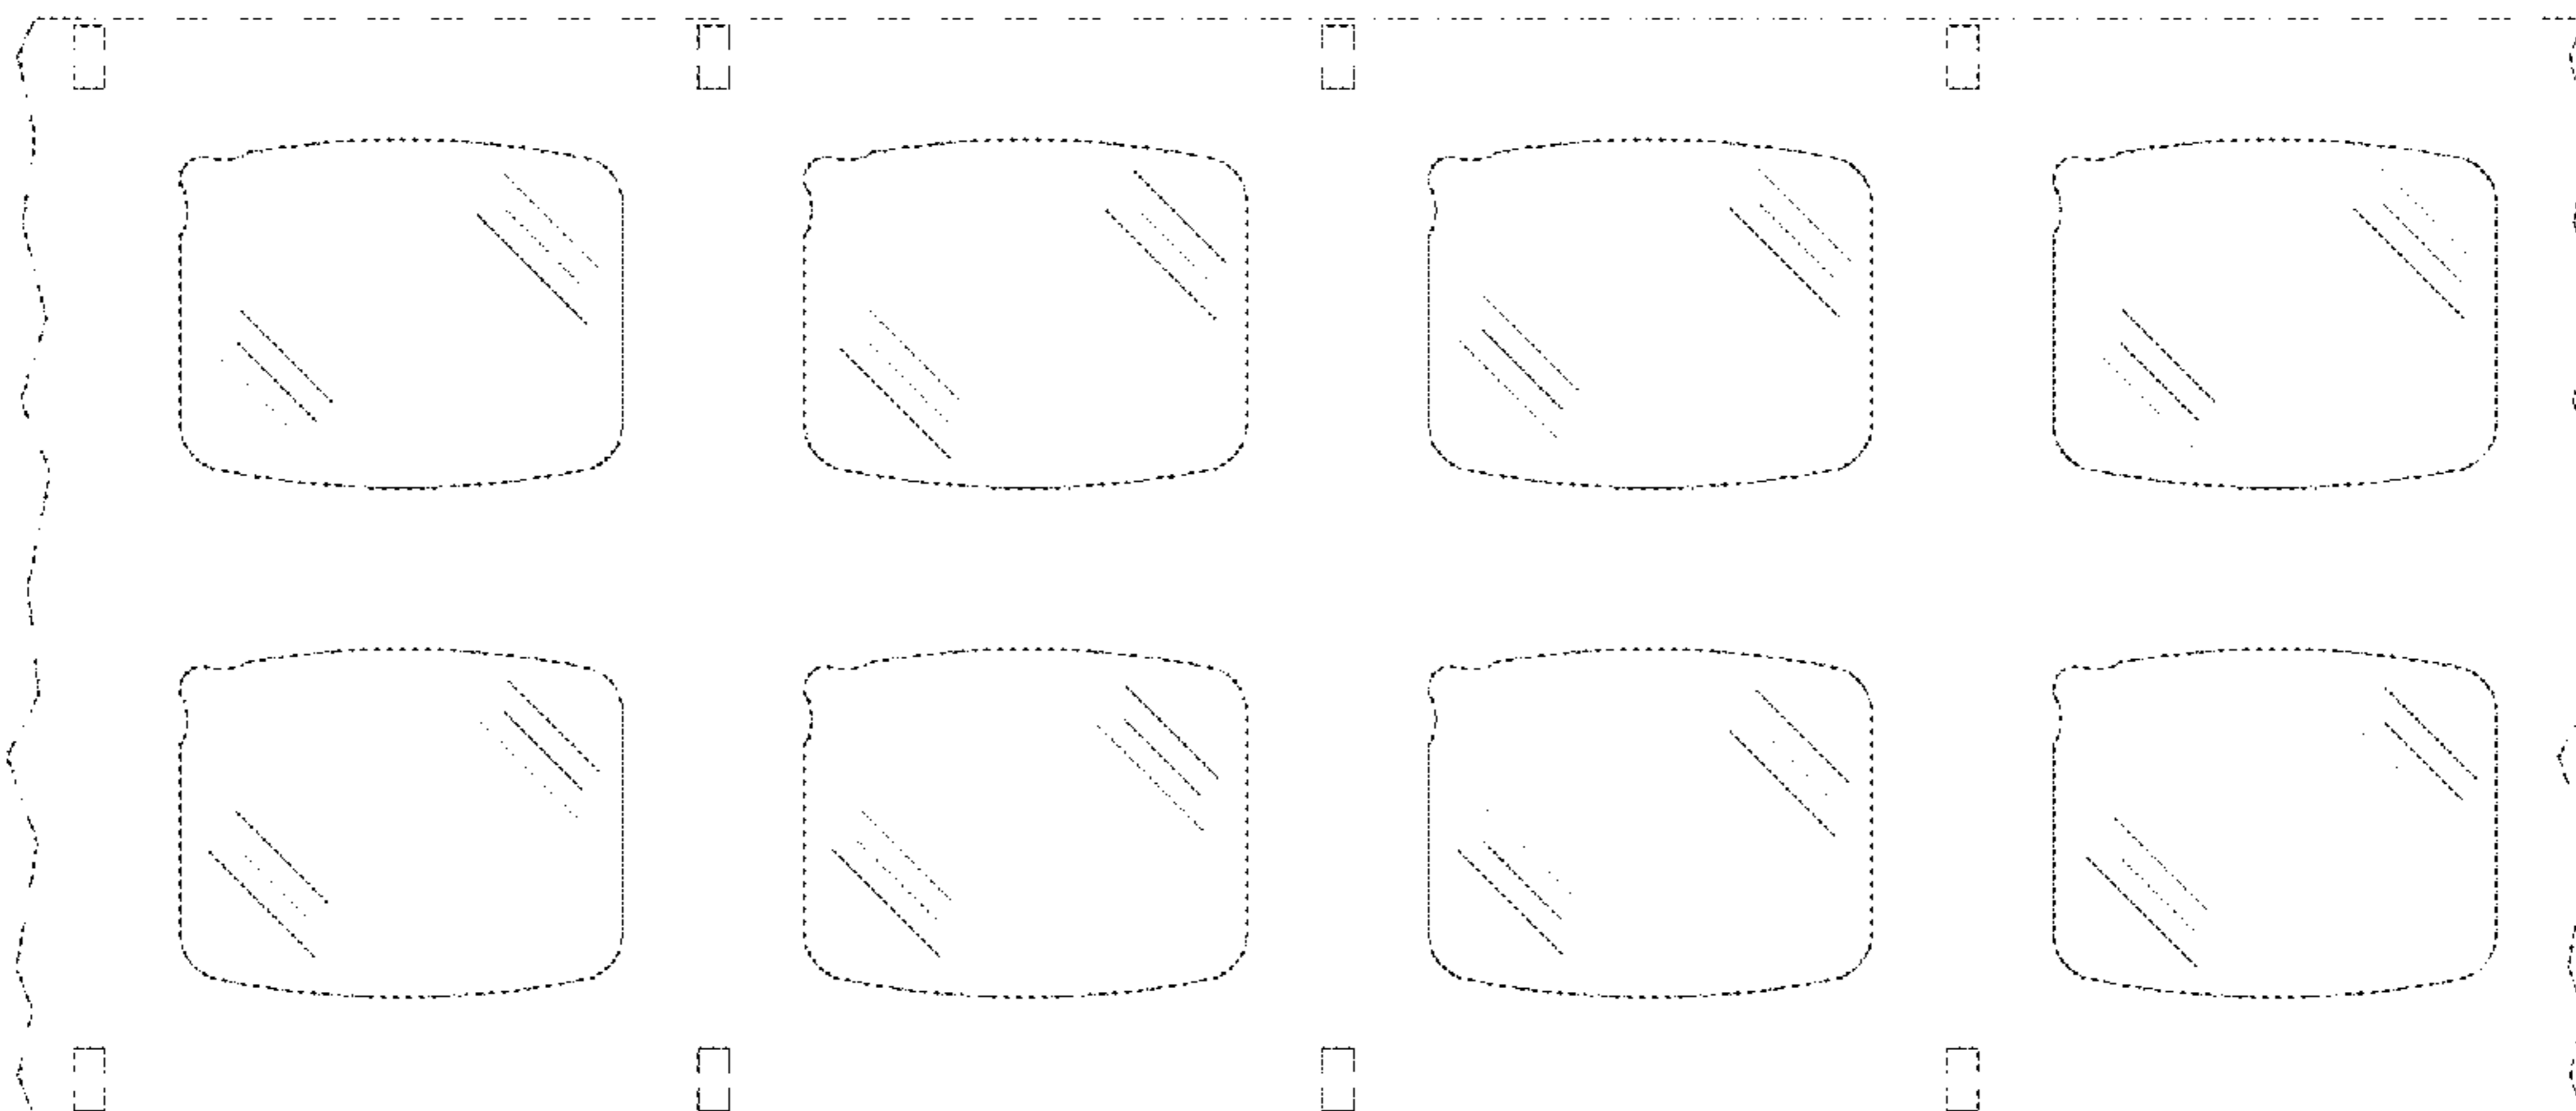

FIG. 1 is a top plan view of film for packaging showing the new design; and,

FIG. 2 is a bottom plan view of the film.

The film has two layers of thin material, and the depth of the second layer would not be readily apparent in a side view. The broken lines in the top view represent functional elements of the film that form no part of the claimed design. The dash-dot lines represent the boundaries of the claimed design, and form no part of the claimed design.

The broken lines in the bottom view represent score lines in the film, and also form no part of the claimed design.

1 Claim, 2 Drawing Sheets
