(57) **CLAIM**

The ornamental design for a power and data receptacle mount, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a power and data receptacle mount showing our new design, viewed from above and to the right;
FIG. 2 is another front perspective view thereof, viewed from below and to the left;
FIG. 3 is a rear perspective view thereof, viewed from above and to the right;
FIG. 4 is another rear perspective view thereof, viewed from below and to the left;
FIG. 5 is a top plan view thereof;
FIG. 6 is a bottom plan view thereof;
FIG. 7 is a front elevation thereof;
FIG. 8 is a rear elevation thereof;
FIG. 9 is a right side elevation thereof;
FIG. 10 is a left side elevation thereof; and,
FIG. 11 is another front elevation thereof, in a use condition.
In the drawings, the broken lines depict environmental subject matter and form no part of the claimed design.
