(57) **CLAIM**

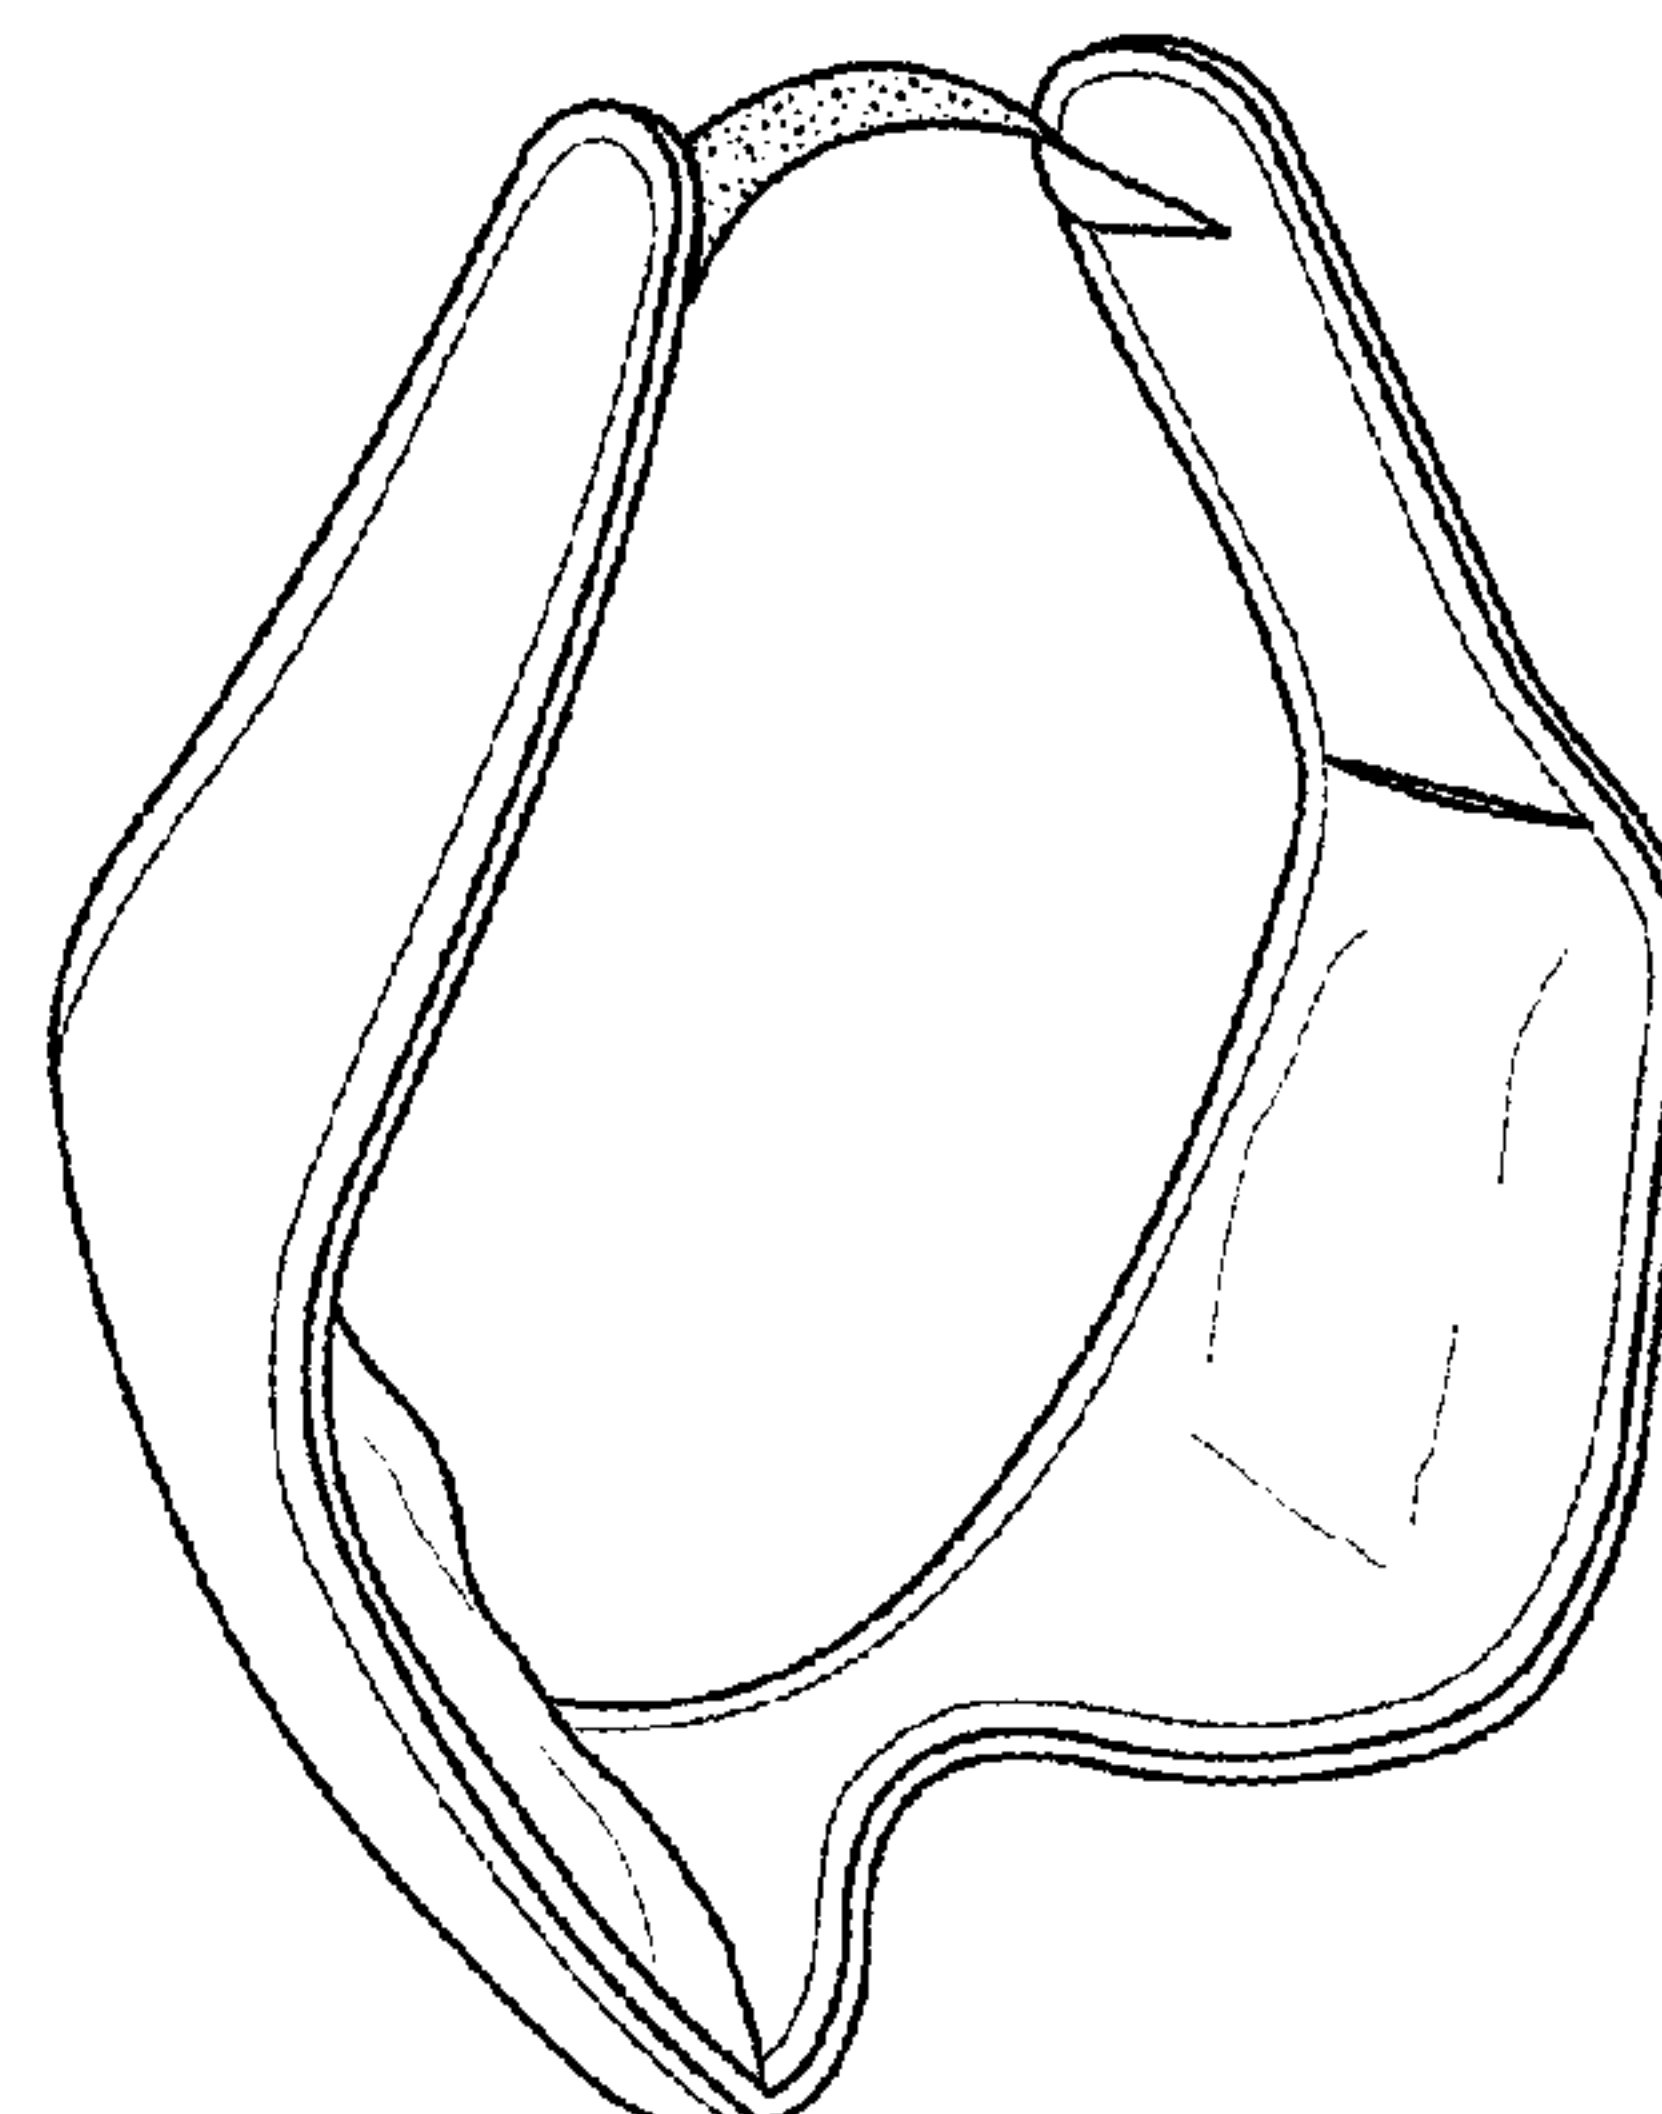

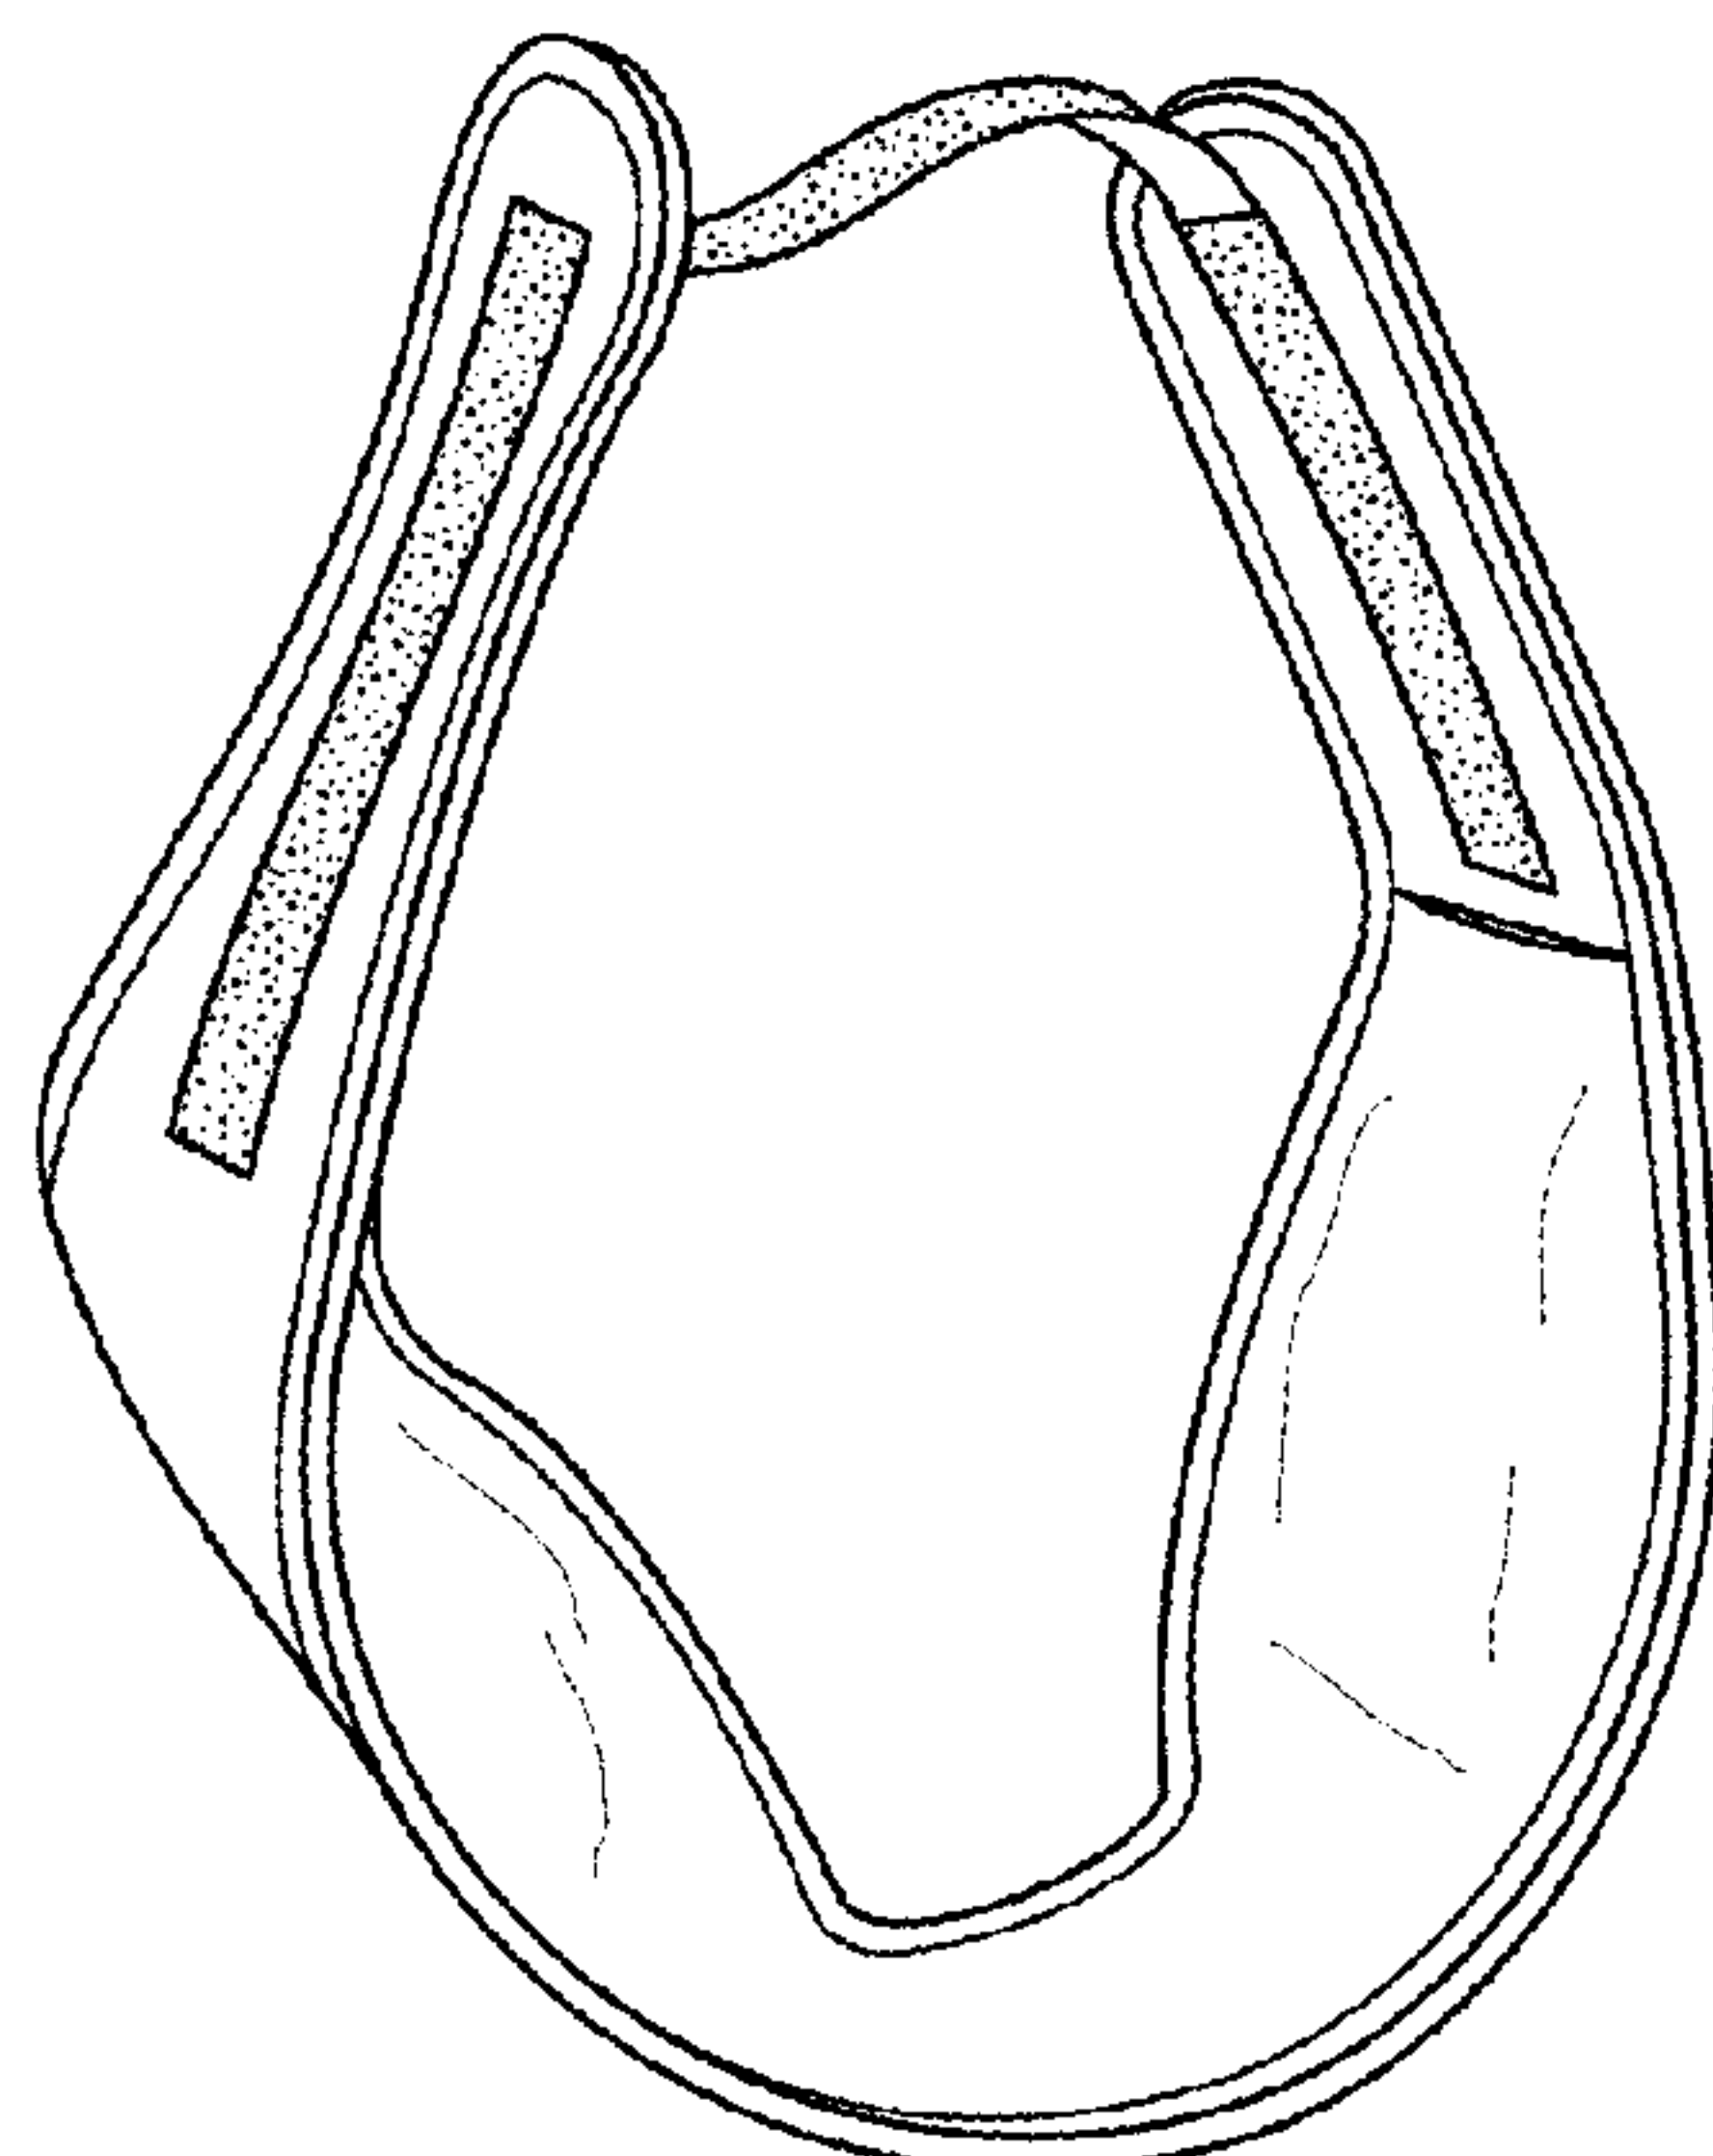

The ornamental design for a hot and cold therapy wrap, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a hot and cold therapy wrap in a position of use as worn by a person; FIG. 2 is a rear perspective view of a hot and cold therapy wrap in a position of use as worn by a person; FIG. 3 is a front perspective view of a hot and cold therapy wrap in a position of use as worn by a person; FIG. 4 is a rear perspective view of a hot and cold therapy wrap in a position of use as worn by a person; FIG. 5 is a top plan view of a hot and cold therapy wrap in an open configuration; FIG. 6 is a bottom plan view of a hot and cold therapy wrap in an open configuration with the extender flap open; FIG. 7 is a bottom plan view of a hot and cold therapy wrap in an open configuration with the extender flap closed; and, FIG. 8 is a perspective view of a hot and cold therapy wrap in a position of use as worn by a person.

The design has been shown and described, although equivalents and colorable imitations thereof will be evident to a person of ordinary skill in the art. The inner lines shown around the periphery of the hot and cold therapy wrap in FIGS. 1, 2, 3, 4, 5, 6, 7, and 8 represent stitching that is part of the claimed design. The shading provided on the surface of the claim in FIGS. 1, 2, 3, 4, 5, 6, and 7 illustrates the hidden pockets for adding gel packs within the hot and cold therapy wrap. The broken lines showing a person in FIG. 8 are included for the purpose of illustrating the invention in use, and form no part of the claimed design. The contrasting shading on the ends of the hot and cold therapy wrap in FIGS. 1, 2, 3, 4, 5, 6, 7, and 8 represent VEF-CRO.

1 Claim, 4 Drawing Sheets
