Primary Examiner — Angela J Lee

(74) *Attorney, Agent, or Firm* — Patent Law Works LLP(57) **CLAIM**

The ornamental design for a display positioning device, as shown and described.

**DESCRIPTION**

FIG. 1 is a top perspective view of a display positioning device showing the new design according to a first embodiment in which the display positioning device is in a closed position.

FIG. 2 is a bottom, front perspective view thereof.

FIG. 3 is a bottom, rear perspective view thereof.

FIG. 4 is a top view thereof.

FIG. 5 is a bottom view thereof.

FIG. 6 is a left side view thereof (a right side view being a mirror image of the left side view).

FIG. 7 is a front view thereof.

FIG. 8 is a rear view thereof.

FIG. 9 is a top, front perspective view of a display positioning device showing the new design according to a second embodiment in which the display positioning device is in an open position.

FIG. 10 is a top, front perspective view of the display positioning device according to the second embodiment in which, for context, broken lines are included to illustrate the display positioning device positioning an electronic display.

FIG. 11 is a top, rear perspective view of the display positioning device according to the second embodiment.

FIG. 12 is a bottom perspective view thereof.

FIG. 13 is a top view thereof.

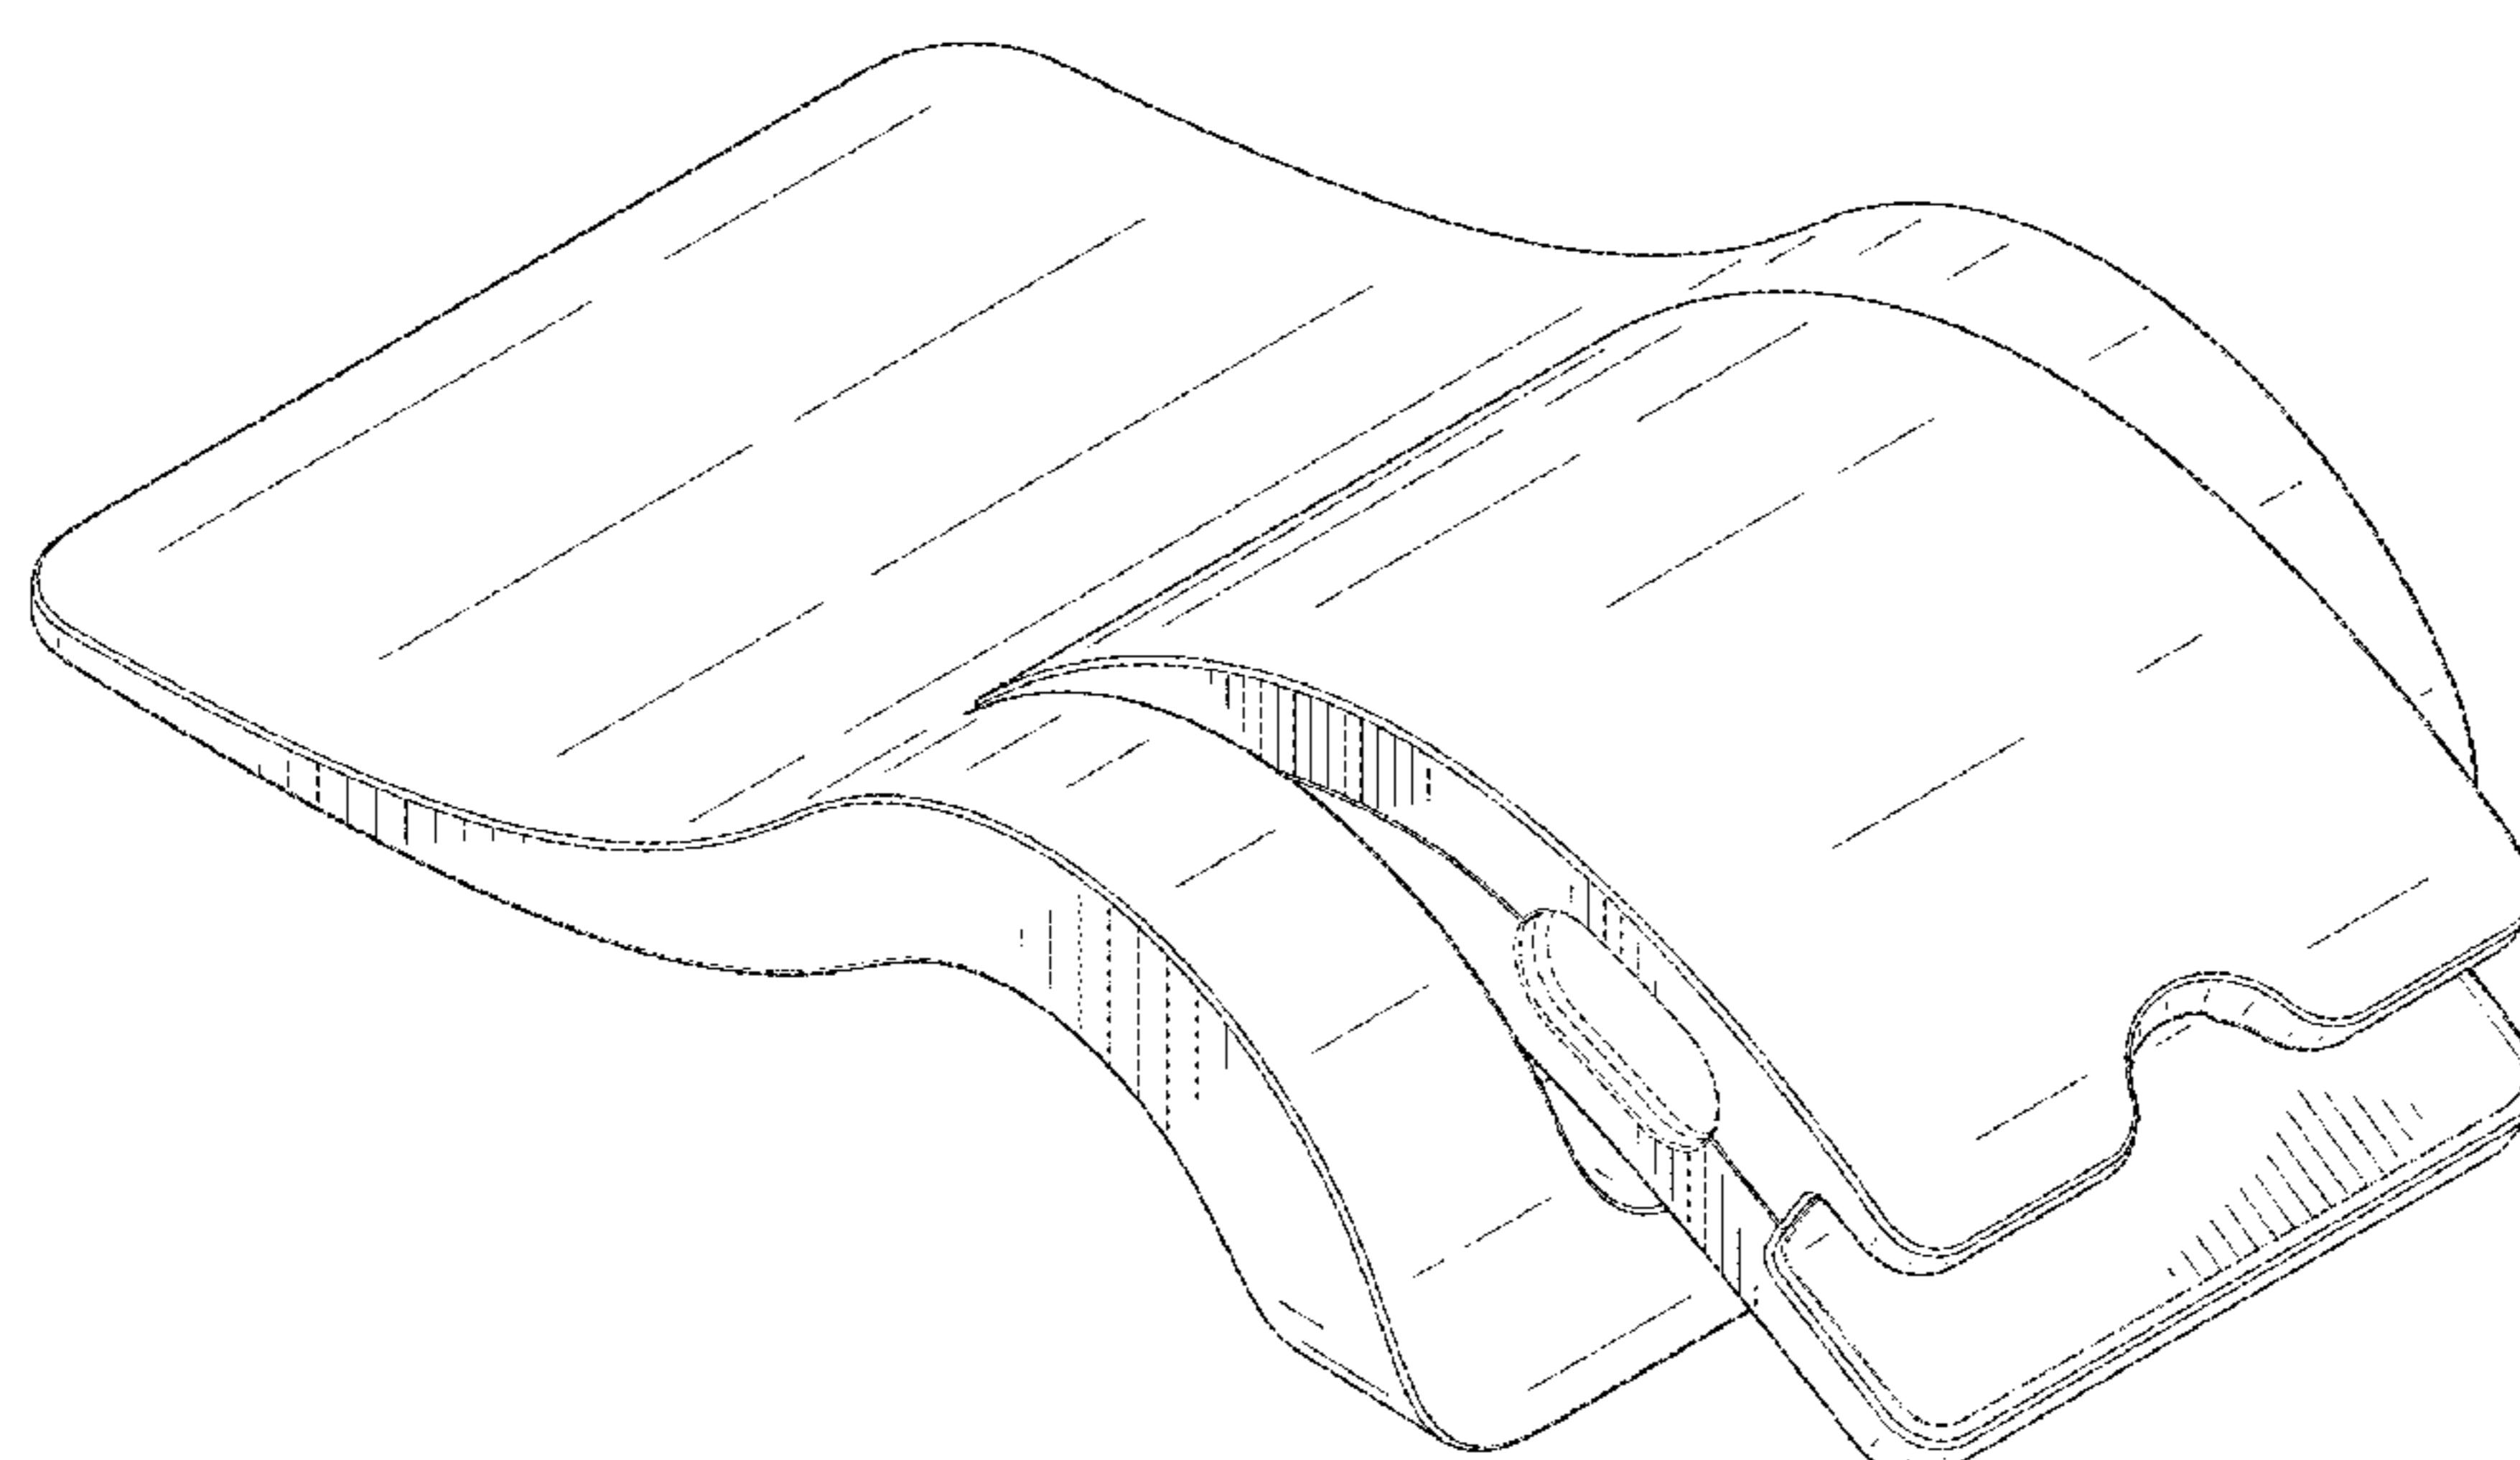

FIG. 14 is a bottom view thereof.

FIG. 15 is a left side view thereof (a right side view being a mirror image of the left side view).

FIG. 16 is a front view thereof; and,

FIG. 17 is a rear view thereof.

Within the drawings, the broken lines show unclaimed portions of the display positioning device, and form no part of the claimed design.
