(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface, showing our new design.

The dash-dot line showing of a display screen or portion thereof is included for the purpose of illustrating portions of the article and forms no part of the claimed design. The gray dotted lines within the FIGURE are design elements and form a part of the claimed design.
