The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1-2, 3-4, 5-6 and 7-8. The process or period in which an image transitions to another image forms no part of the claimed design.

The longer broken-line showing of a portion of a computer and the intermediate-length broken-line showing of a display screen of the computer, as well as the features within the interface shown in still shorter broken-lines, are included for the purpose of illustrating environmental structure and form no part of the claimed design.
