(57) **CLAIM**

The ornamental design for a light-emitting diode wall lamp, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a light-emitting diode wall lamp according to the present application;  
FIG. 2 is a rear view of the light-emitting diode wall lamp according to the present application;  
FIG. 3 is a left view of the light-emitting diode wall lamp according to the present application;  
FIG. 4 is a right view of the light-emitting diode wall lamp according to the present application;  
FIG. 5 is a top view of the light-emitting diode wall lamp according to the present application;  
FIG. 6 is a bottom view of the light-emitting diode wall lamp according to the present application; and,  
FIG. 7 is a perspective view of the light-emitting diode wall lamp according to the present application.  
The broken lines in the drawings depict portions of the light-emitting diode wall lamp that form no part of the claimed design.
