(57) **CLAIM**

The ornamental design for a computer display panel with transitional icon image for a mortgage application progress, as shown and described.

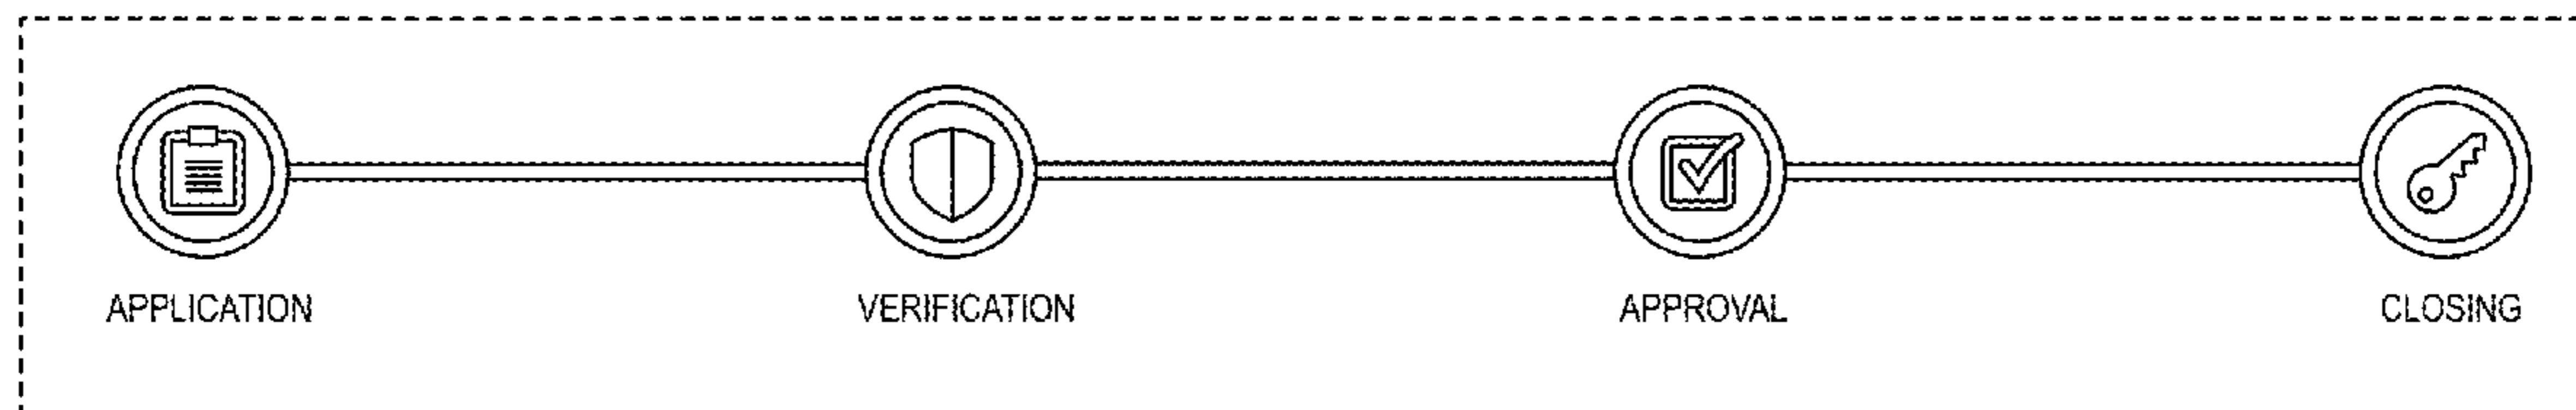

DESCRIPTION

FIG. 1 is a front view of a first image in a sequence of a computer display panel with transitional icon image for a mortgage application progress, showing our new design; FIG. 2 is a front view of a computer display panel with the second image thereof; FIG. 3 is a front view of a computer display panel with the third image thereof; FIG. 4 is a front view of a computer display panel with the fourth image thereof; and, FIG. 5 is a front view of a computer display panel with the fifth image thereof.

The appearance of the progress indicator element for a mortgage application interface transitions sequentially between the images shown in FIGS. 1-5. The process or period in which one image transitions to another forms no part of the claimed design.

The broken lines in the drawings illustrate portions of the computer display panel that form no part of the claimed design.
