(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing the claimed design.

The outermost dashed broken lines in the FIGURE show a display screen or portion thereof, and form no part of the claimed design. The other dashed broken lines and text in the FIGURE show portions of the graphical user interface that form no part of the claimed design.

The areas in the FIGURE bounded by dot-dash broken lines form no part of the claimed design, except for the areas in the FIGURE bounded by dot-dot-dash broken lines, which do form a part of the claimed design.

The depicted design is not limited to placement on a display screen or portion thereof as shown in the FIGURE.
