(57) **CLAIM**

The ornamental design for an abalone wing surface pattern for a fly fishing equipment container, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a top perspective view of an abalone wing surface pattern for a fly fishing equipment container showing the new design;

FIG. 2 is a front elevation view of the design shown in FIG. 1;

FIG. 3 a top plan view of the design shown in FIG. 1;

FIG. 4 is a bottom plan view of the design shown in FIG. 1;

FIG. 5 is a right end elevation view of the design shown in FIG. 1; and,

FIG. 6 is a left end elevation view of the design shown in FIG. 1.

The features shown in broken lines depict environmental subject matter and form no part of the claimed design.
