(57) **CLAIM**

We claim the ornamental design for a compact external light, as shown and described.

DESCRIPTION

FIG. 1 is an upper right front perspective view of a compact external light, showing our new design;

FIG. 2 is a second perspective view of the compact external light;

FIG. 3 is a front elevational view of the compact external light;

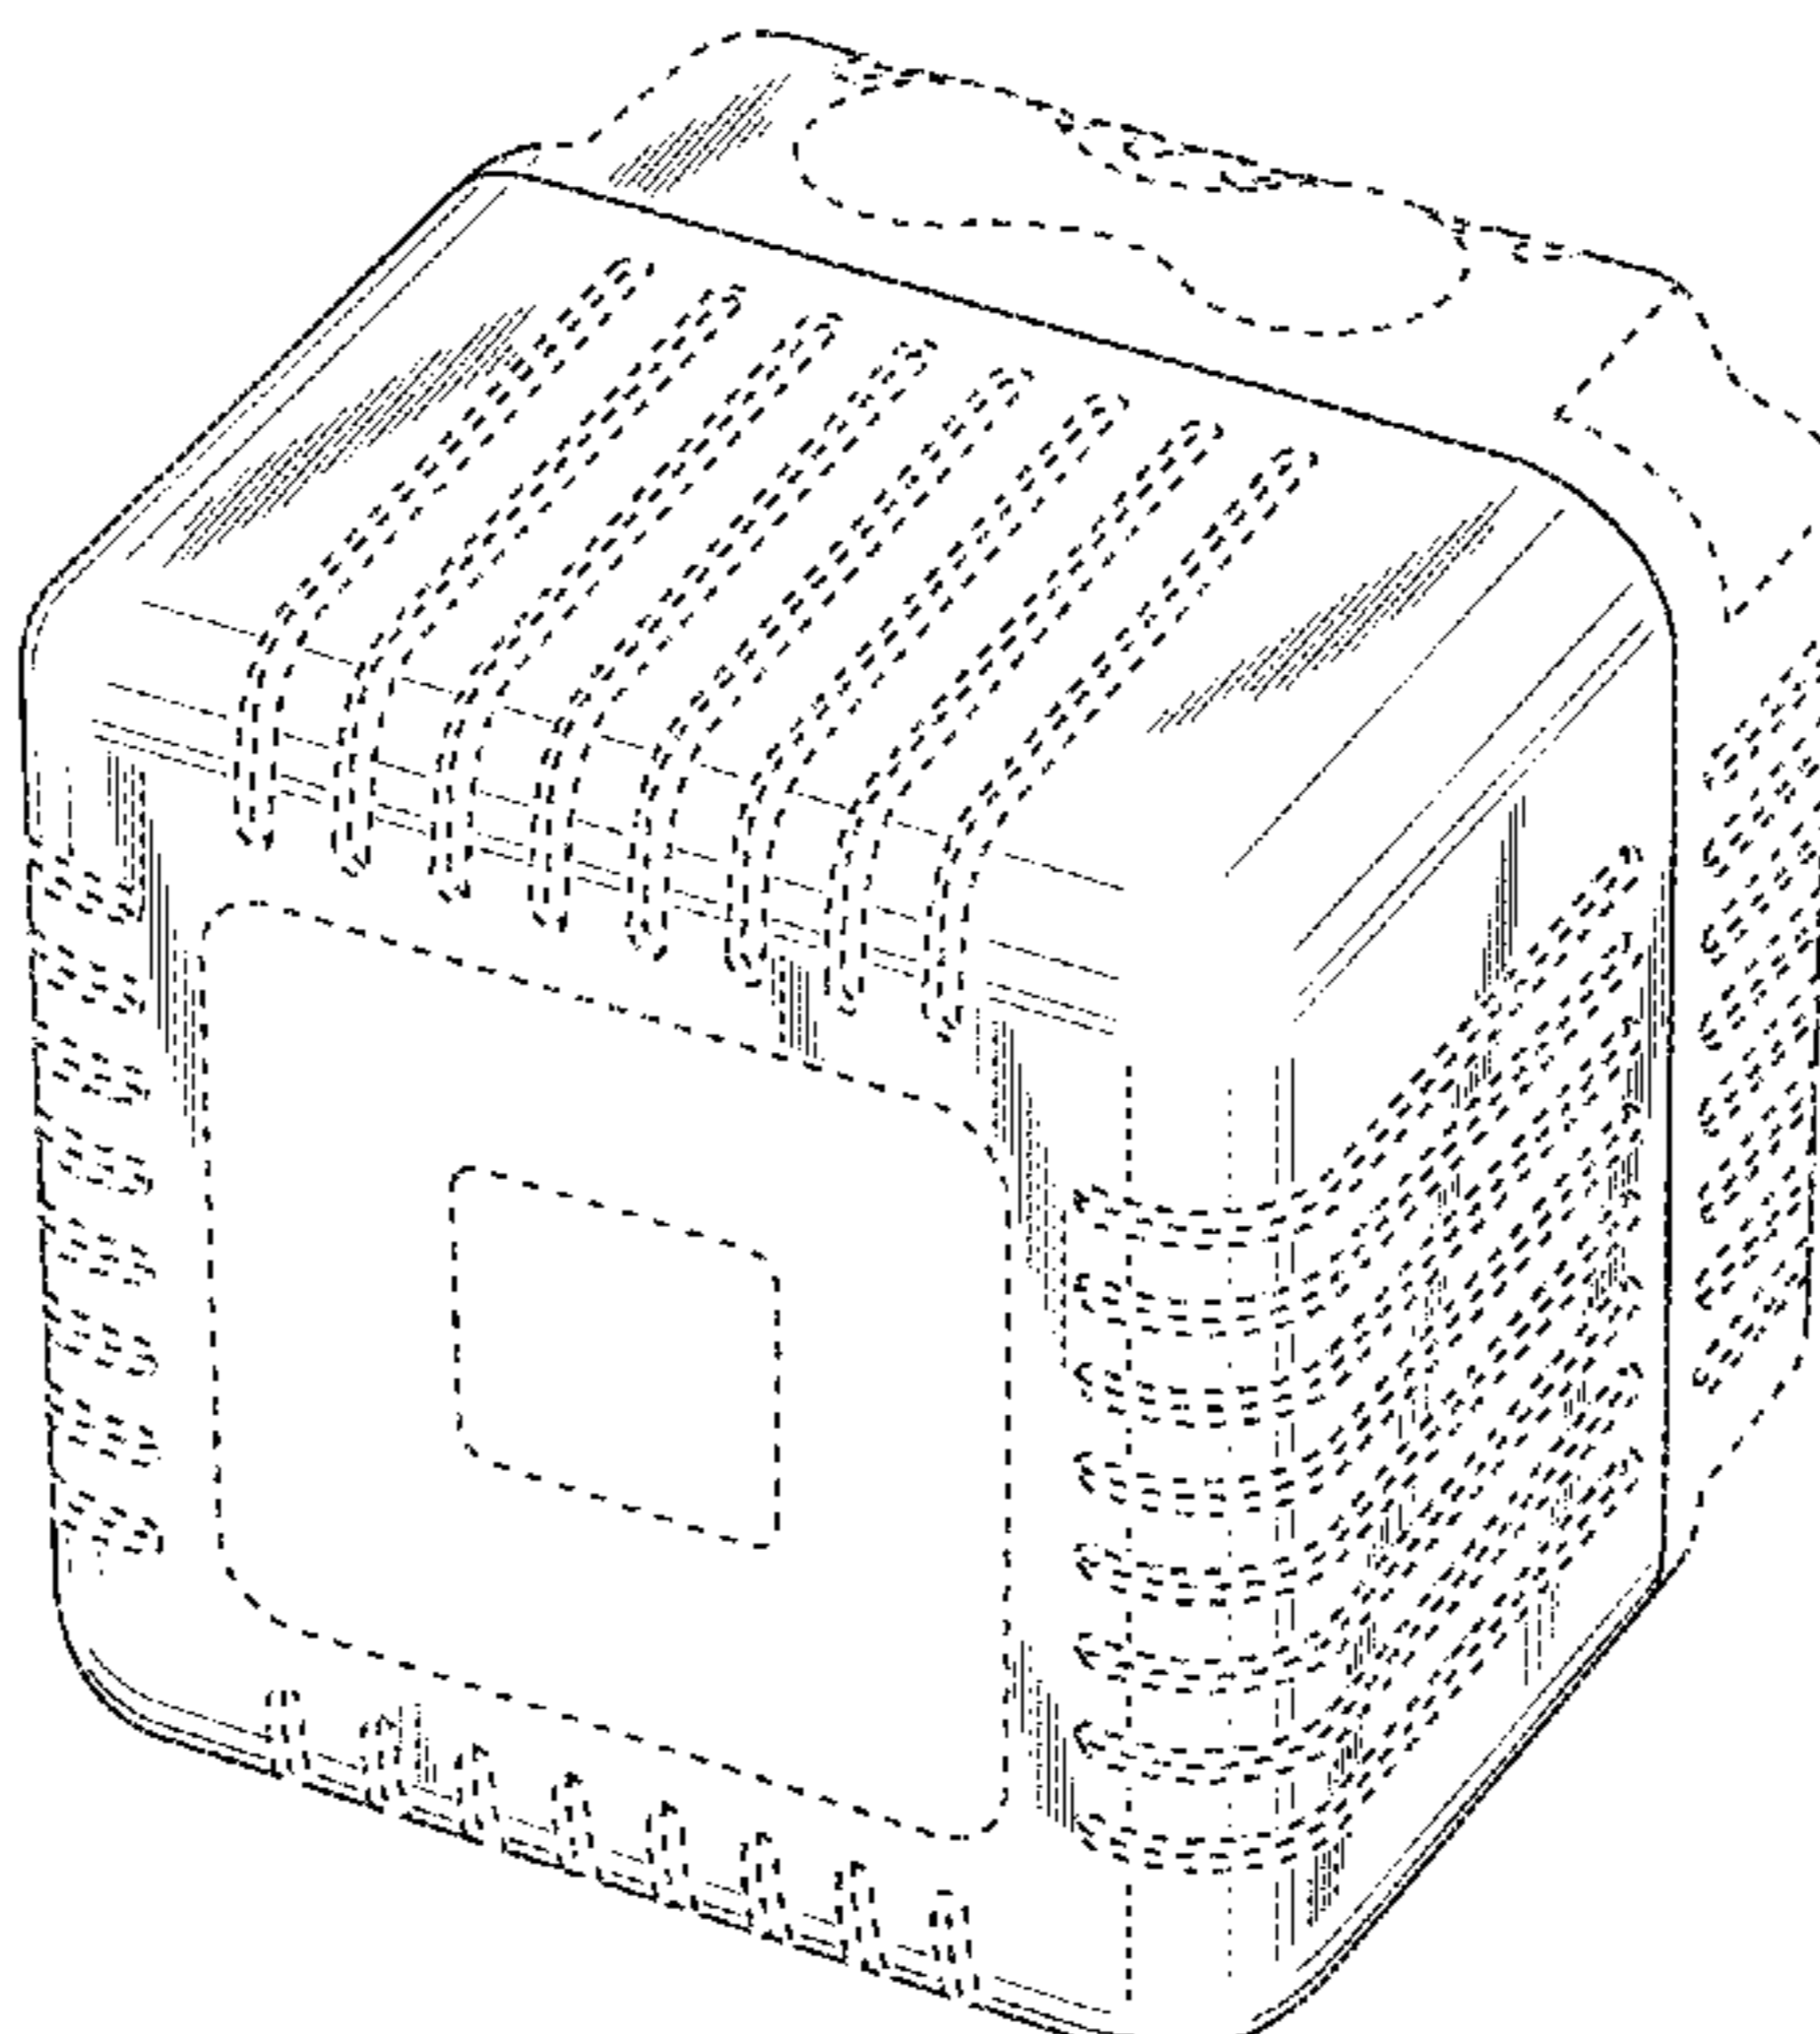

FIG. 4 is a right side elevational view of the compact external light, the left side elevational view is a mirror image thereof;

FIG. 5 is a rear elevational view of the compact external light;

FIG. 6 is a top plan view of the compact external light; and,

FIG. 7 is a bottom plan view of the compact external light. The broken lines in the drawings represent portions of the compact external light that form no part of the claimed design.
