(57) **CLAIM**

The ornamental design for a pair of rear door panels for vehicles, as shown and described.

DESCRIPTION

1. Pair of rear door panels for vehicles

1.1 : Perspective

1.2 : Front

1.3 : Back

1.4 : Left

1.5 : Right

1.6 : Top

1.7 : Bottom

This article concerns the pair of outer panels of a rear door of a vehicle, which can be opened and closed from both sides (left and right sides). The design presented in Figs. 1.1 through 1.7 illustrates an appearance of an outer panel of a rear right side door. An outer panel of a rear left side door has an appearance that is a mirror image of the design presented in Figs. 1.1 through 1.7.
