(57) **CLAIM**

I claim the ornamental design for a utility pole, as shown and described.

DESCRIPTION

FIG. 1 shows a perspective view of the utility pole design. FIG. 2 shows another perspective view of the utility pole design from an opposite side as shown in FIG. 1. FIG. 3 shows a rear perspective view of the utility pole design. FIG. 4 shows a top view of the utility pole design. FIG. 5 shows a bottom view of the utility pole design. FIG. 6 shows a first side view of the utility pole design. FIG. 7 shows a second side view of the utility pole design opposite of the first side view. FIG. 8 shows a front view of the utility pole design; and, FIG. 9 shows a rear view of the utility pole design. The broken line in the drawing views represents unclaimed environment only and forms no part of the design.
