(57) **CLAIM**

The ornamental design for a cable module for a tabletop media center, as shown and described.

DESCRIPTION

FIG. 1 shows a front perspective view of a cable module for a tabletop media center.

FIG. 2 shows a top perspective view of a cable module for a tabletop media center.

FIG. 3 shows a top view of the cable module for a tabletop media center.

FIG. 4 shows a front view of the cable module for a tabletop media center.

FIG. 5 shows a rear view of the cable module for a tabletop media center.

FIG. 6 shows a left side view of the cable module for a tabletop media center.

FIG. 7 shows a right side view of the cable module for a tabletop media center; and,

FIG. 8 shows a top perspective view of the cable module for a tabletop media center, wherein the tabletop media center shown in broken lines illustrates the environment in which the design is used and forms no part of the claimed design. The broken lines in the figures depict portions of the cable module for a tabletop media center that form no part of the claimed design.

1 Claim, 8 Drawing Sheets
