(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with graphical user interface showing the new design. The broken lines showing an electronic device illustrate environmental subject matter, whereas the even broken lines showing a display screen and elements of the graphical user interface illustrate portions of the article. None of the aforementioned subject matters that are depicted in the broken lines form part of the claimed design.
