(57) **CLAIM**

The ornamental design for a shoe insole, as shown and described.

DESCRIPTION

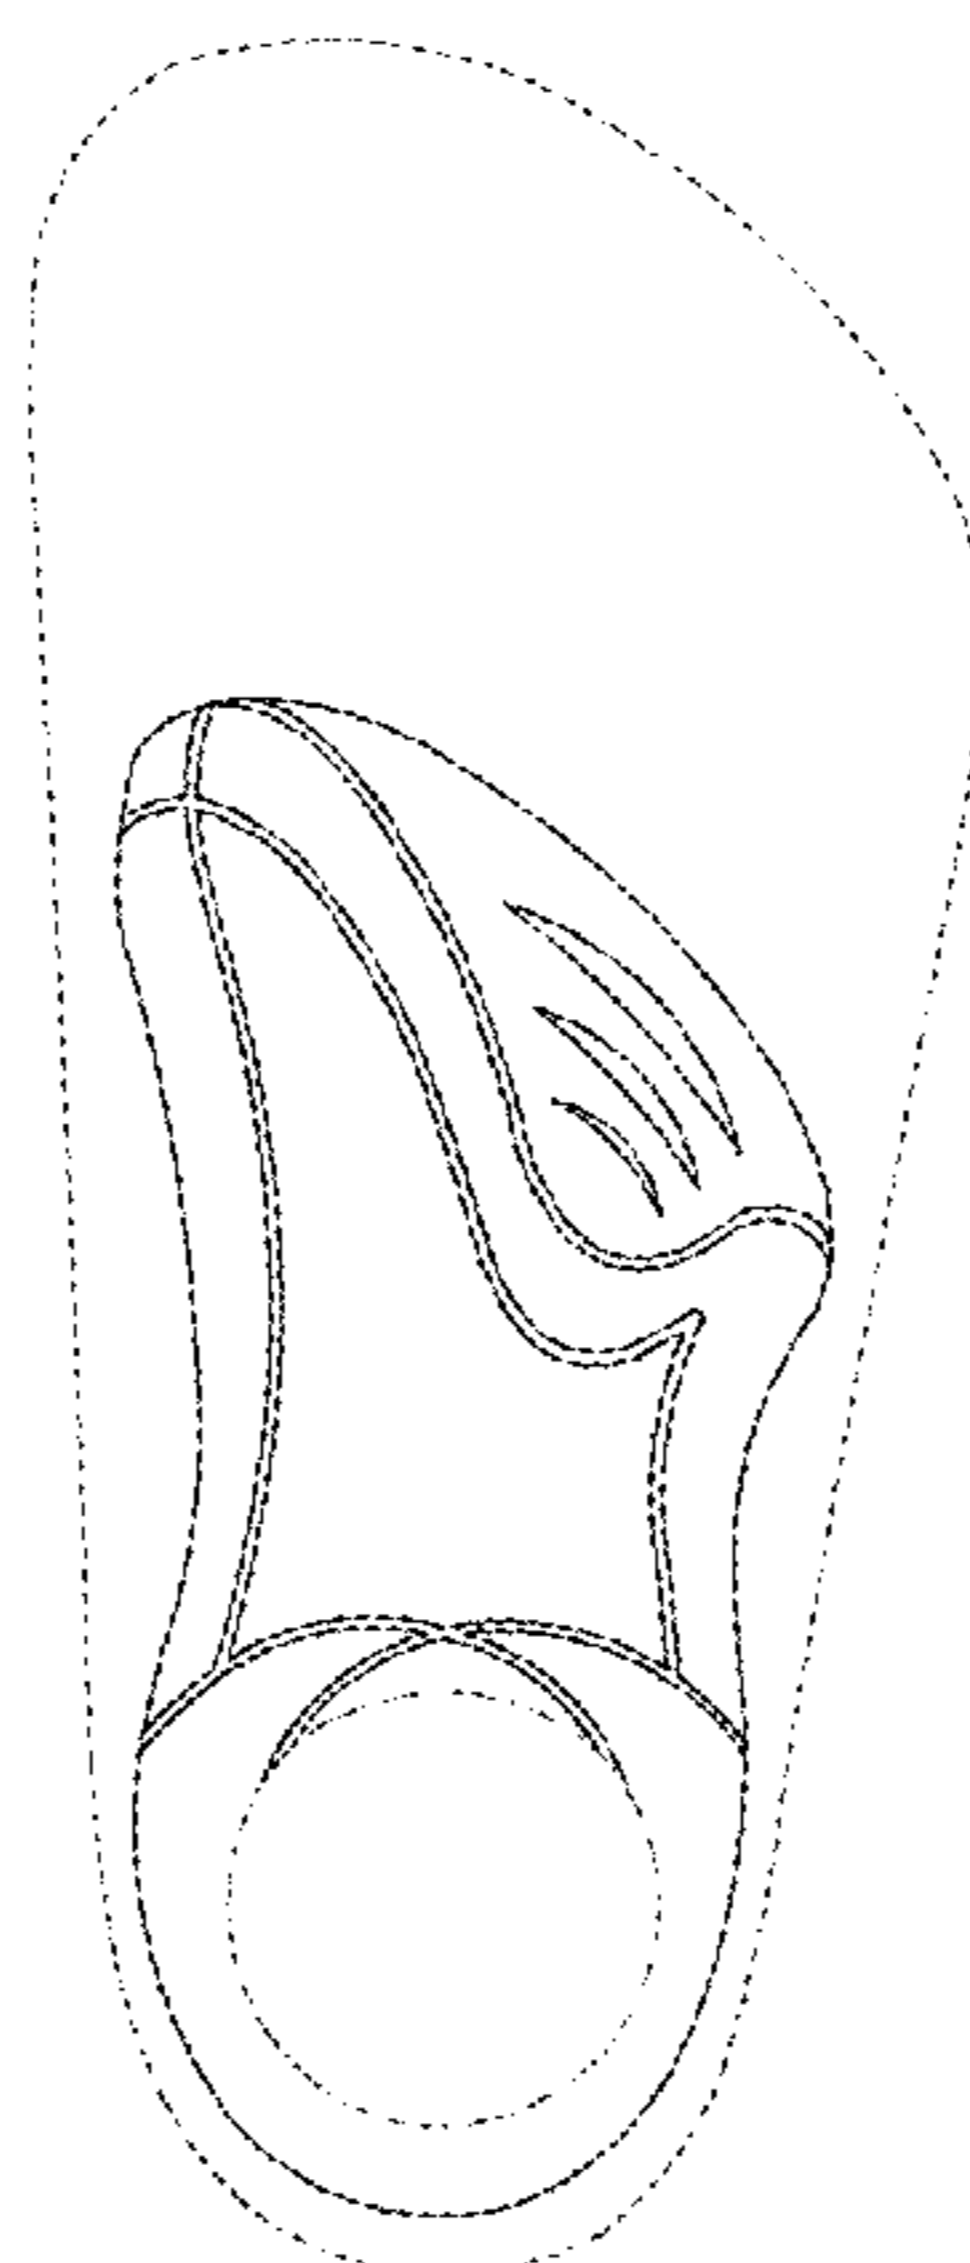

FIG. 1 is a bottom plan view of a shoe insole, showing our new design;
FIG. 2 is a right side elevational view thereof;
FIG. 3 is a left side elevational view thereof;
FIG. 4 is a back side elevational view thereof;
FIG. 5 is a front side elevational view thereof; and,
FIG. 6 is a top plan view thereof.
The figures shown are of an insole for a left shoe, the insole for a right shoe being mirror images of the figures shown. The broken lines shown in the drawings represent portions of the shoe insole that form no part of the claimed design. The dash-dot-dash-dot broken lines are boundary lines, which define the bounds of the claimed design. The claimed design extends to the boundary lines but does not include the boundary lines.

1 Claim, 5 Drawing Sheets
