(57) **CLAIM**

The ornamental design for an electronic smoking article charger, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a portion of an electronic smoking article charger showing our new design, the rear view being a mirror image thereof, the dot-dash line defining the boundary line of the claimed design there-within.

FIG. 2 is a top plan view thereof.

FIG. 3 is right side elevational view thereof.

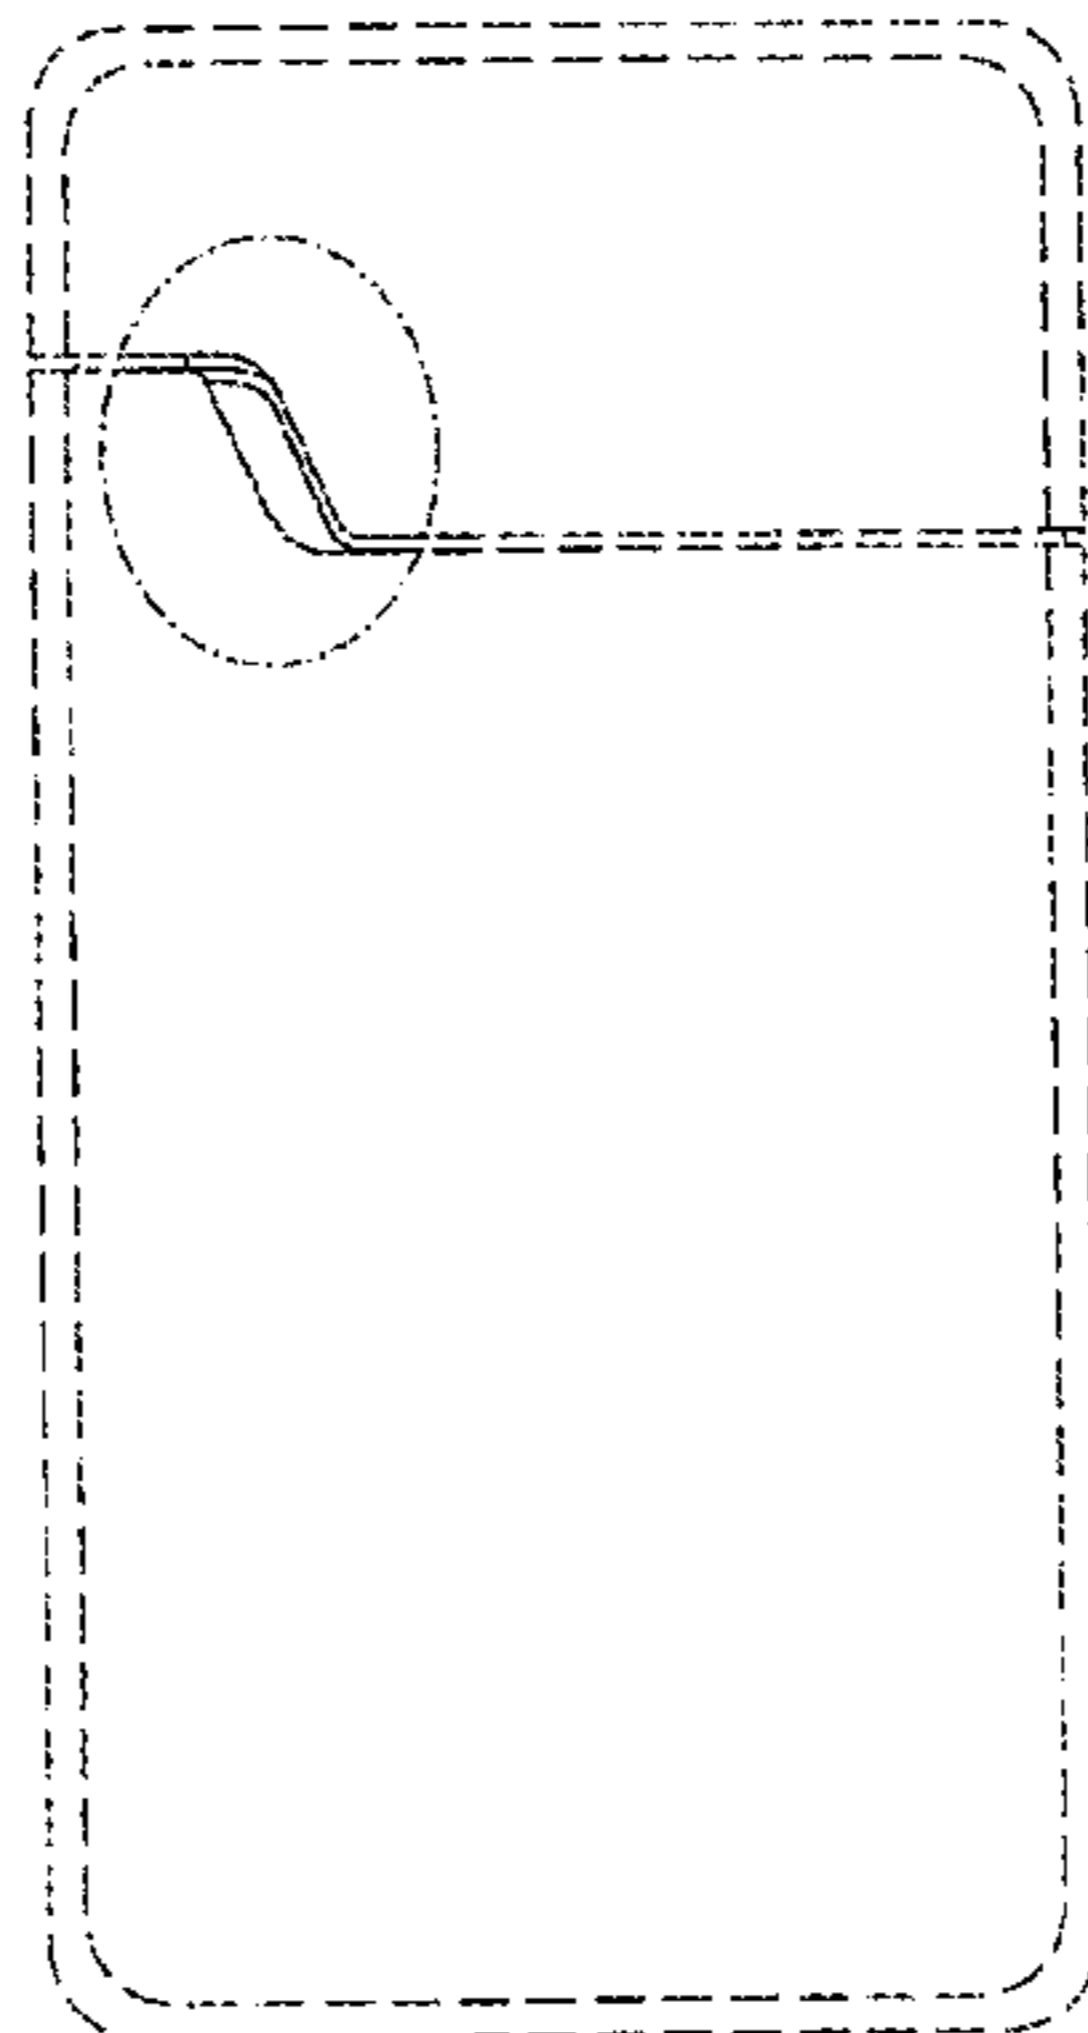

FIG. 4 is a left side elevational view thereof; and,

FIG. 5 is a front perspective view thereof.

The broken line showing in FIGS. 1-5 are for illustrative purposes only and forms no part of the claimed design.

The claimed design is not limited to the surface finish shown on the electronic smoking article charger in the photographs.

1 Claim, 3 Drawing Sheets
