(57) **CLAIM**

The ornamental design for a lighting stake support, as shown.

DESCRIPTION

FIG. 1 is a perspective view from an elevated angle of the lighting stake support of the present invention;
 FIG. 2 is a perspective view from an opposite lowered angle of the lighting stake support of the present invention;
 FIG. 3 is a front view of the lighting stake support of the present invention;
 FIG. 4 is a back view of the lighting stake support of the present invention;
 FIG. 5 is a left side view of the lighting stake support of the present invention;
 FIG. 6 is a right side view of the lighting stake support of the present invention;
 FIG. 7 is a top view of the lighting stake support of the present invention; and,
 FIG. 8 is a bottom view of the lighting stake support of the present invention.
