(57) **CLAIM**

The ornamental design for an article of jewelry having configuration of tomb with stone rolled away, as shown and described.

DESCRIPTION

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the Patent and Trademark Office patent file or records, but reserves all other copyright rights whatsoever.

The sole FIGURE is a front elevation view of an article of jewelry having configuration of tomb with stone rolled away showing my new design.

1 Claim, 1 Drawing Sheet
