(57) **CLAIM**

The ornamental design for a container with surface ornamentation, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The sole FIGURE is a front view of a container with surface ornamentation showing our new design.

The broken lines immediately surrounding the claimed design defines the outer boundary of the claimed design and forms no part thereof. The broken lines showing the remainder of the container are for environmental purposes only and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
