(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a display screen with graphical user interface showing our new design on a device; and, FIG. 2 is a front view of the display screen with graphical user interface.

The broken line showing of a display screen with graphical user interface is included for the purpose of showing portions of the article which form no part of the claim.
