(57) **CLAIM**

The ornamental design for a connected electrostimulator, as shown and described.

**DESCRIPTION**

Reproduction 1.1 is a bottom view of a connected electrostimulator showing my new design.

Reproduction 1.2 is a perspective view thereof with one electrode of the connected electrostimulator detached.

Reproduction 1.3 is an enlarged perspective of a portion of the connected electrostimulator with a part thereof detached.

Reproduction 1.4 is a side view of the connected electrostimulator.

Reproduction 1.5 is a front view thereof.

Reproduction 1.6 is a perspective view thereof.
