(57) **CLAIM**

The ornamental design for a vehicle wheel cover, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of a vehicle wheel cover of the present design according to a first embodiment;
FIG. 2 is a front view of the wheel cover of the present design according to the first embodiment;
FIG. 3 is a side view of the wheel cover of the present design according to the first embodiment;
FIG. 4 is an isometric view of the wheel cover of the present design according to a second embodiment;
FIG. 5 is a front view of the wheel cover of the present design according to the second embodiment; and,
FIG. 6 is a side view of the wheel cover of the present design according to the second embodiment.
The broken lines represent portions of the vehicle wheel cover that form no part of the claimed design.

1 Claim, 4 Drawing Sheets
