(57) **CLAIM**

We claim the ornamental design of a molded coil for centrifugal pump unit, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a molded coil for a centrifugal pump unit showing our new design;  
FIG. 2 is a rear view of a molded coil for a centrifugal pump unit;  
FIG. 3 is a right side view of a molded coil for a centrifugal pump unit;  
FIG. 4 is a left side view of a molded coil for a centrifugal pump unit;  
FIG. 5 is a plan view of a molded coil for a centrifugal pump unit;  
FIG. 6 is a bottom view of a molded coil for a centrifugal pump unit;  
FIG. 7 is a perspective top view of a molded coil for a centrifugal pump unit when viewed from the front and right side; and,  
FIG. 8 is a perspective bottom view of a molded coil for a centrifugal pump unit when viewed from the front and left side.

The broken lines are included for the purpose of illustrating portions of the molded coil for centrifugal pump unit that form no part of the claimed design.
