FIG. 1 is a front and left side perspective view of a car, toy car replica and/or other replica showing my new design; FIG. 2 is a rear and left side perspective view thereof; FIG. 3 is a front view thereof; FIG. 4 is a rear view thereof; FIG. 5 is a right side view thereof; FIG. 6 is a left side view thereof; and, FIG. 7 is a top view thereof.

The broken lines in the figures illustrate portions of the car that form no part of the claimed design.

Applicant regards its design as that shown in the Figures in the Specification and any attached Appendix and any and all parts, portions, elements and/or combinations thereof. Any text and other surface ornamentation may or may not form part of the claimed design. Color and texture may or may not form part of the claimed design. Applicant reserves the right to claim any part, portion, element and/or combination thereof of the disclosed design, including to replace any solid line with a broken line to disclaim any part, portion, element and/or combination thereof of the disclosed design, or to replace any broken line with a solid line to claim any part, portion, element and/or combination thereof of the disclosed design. Applicant also reserves the right to create line drawings from any digital images included in the application.
