(57) **CLAIM**

The ornamental design for an inverter module, as shown and described.

**DESCRIPTION**

FIG. 1 is a front left side isometric view of an inverter module in accordance with the new design;  
 FIG. 2 is a front elevational view thereof;  
 FIG. 3 is a rear elevational view thereof;  
 FIG. 4 is a top plan view thereof;  
 FIG. 5 is a bottom plan view thereof; and,  
 FIG. 6 is a right side elevational view thereof, the left side elevational view being a mirror image of the right side elevational view.

The broken lines shown represent portions of the inverter module that form no part of the claimed design.
