(57) **CLAIM**

The ornamental design for an electronic display or portion thereof with icons, as shown and described.

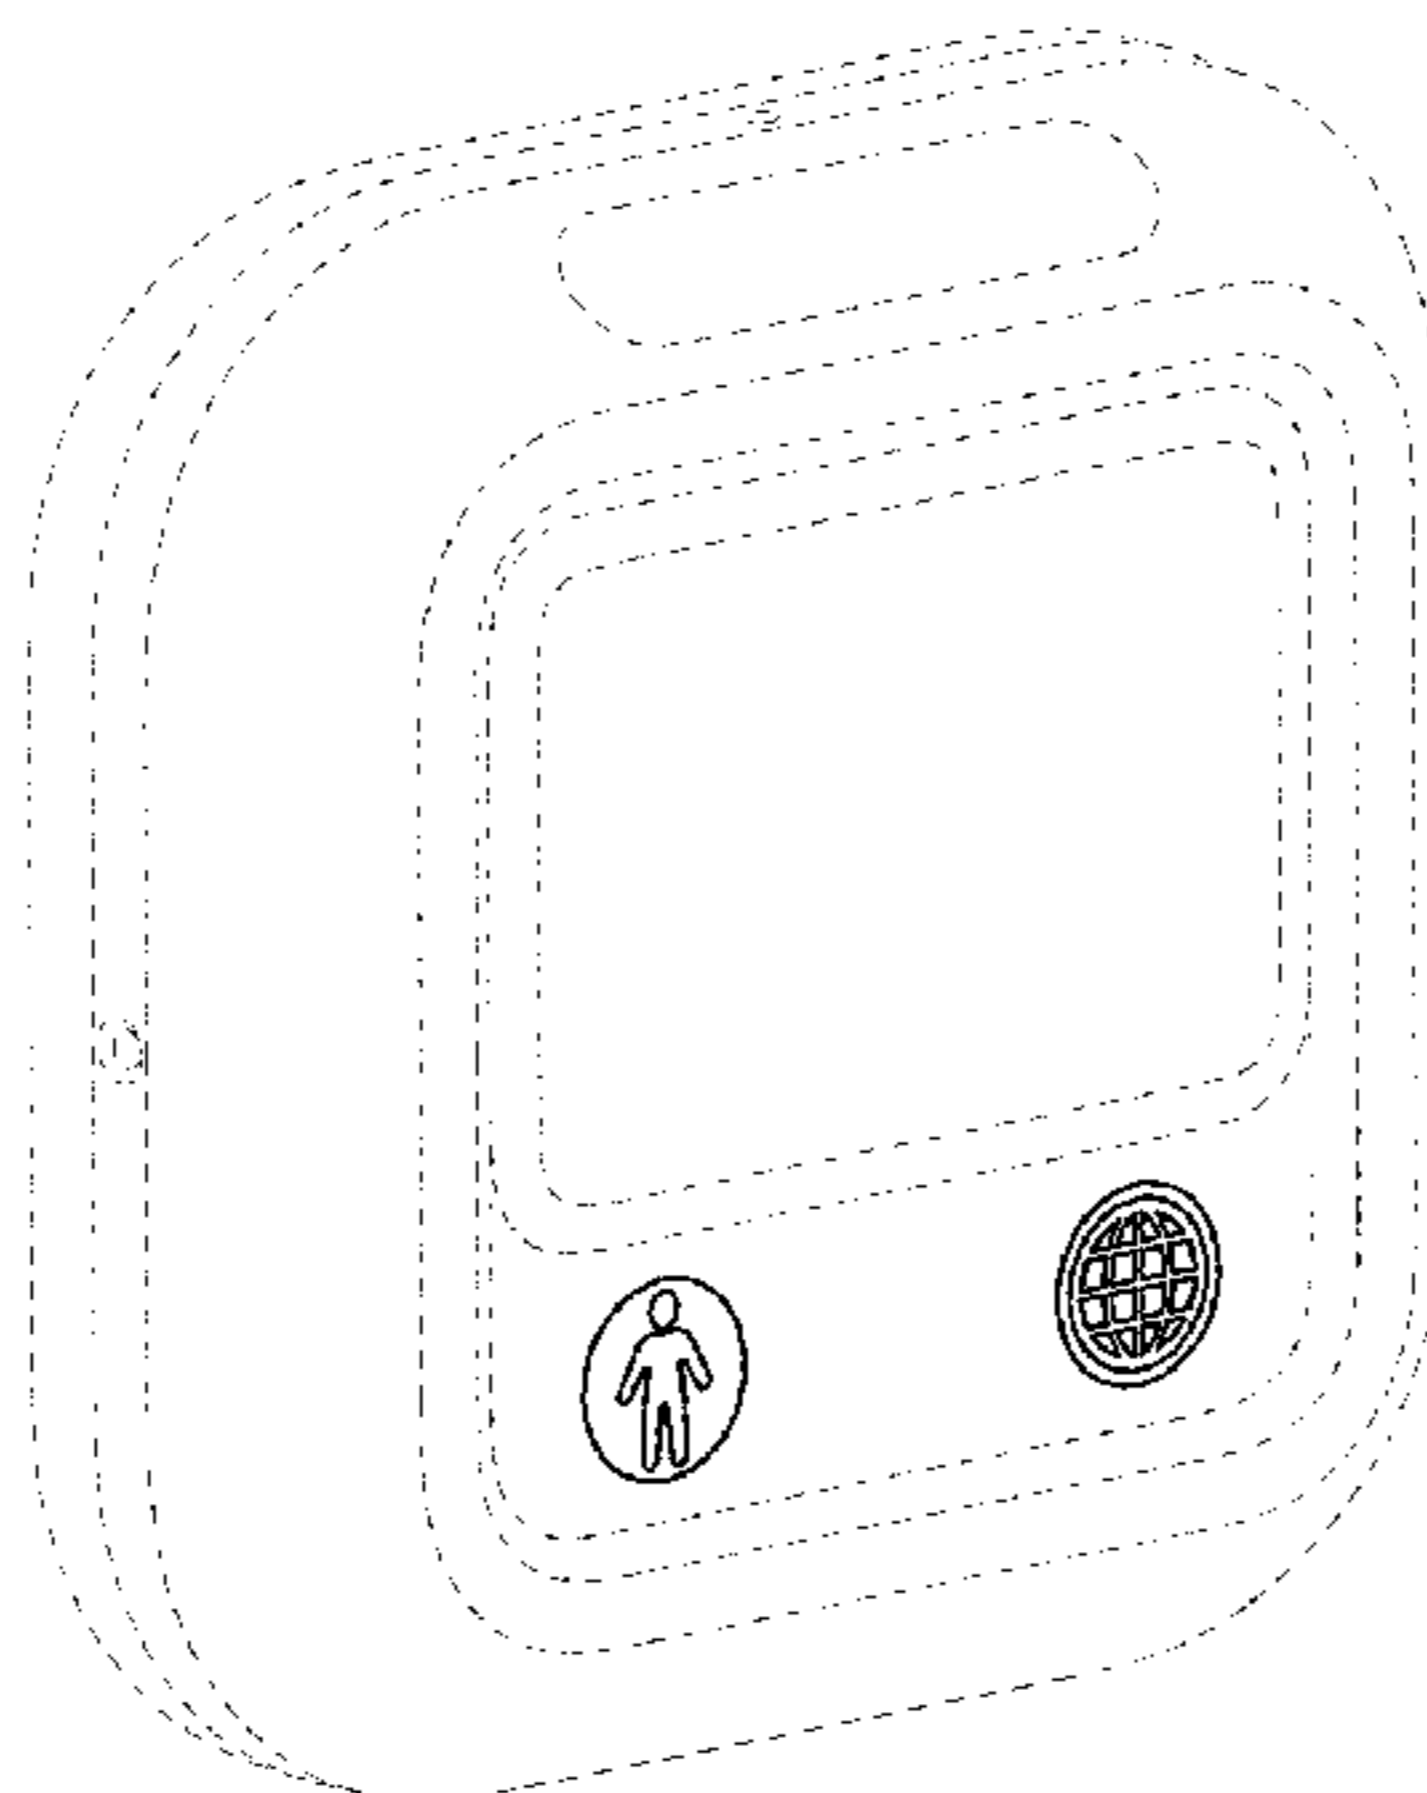

DESCRIPTION

FIG. 1 is a perspective view of an electronic display or portion thereof with icons showing the new design in an icon group; and,

FIG. 2 is a front view thereof.

The outermost set of broken lines and the broken line showing of the upper rounded shape illustrate an electronic device, the broken line at the periphery of the icon group illustrates the display or portion thereof and the remainder of the broken lines illustrate portions of the icon group. None of the broken lines form part of the claimed design.
