(57) **CLAIM**

The ornamental design for a universal ventilation support for
plug-in electric heating stove plate, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a universal ventilation
support for plug-in electric heating stove plate of our new
design.

FIG. 2 is a top view of the universal ventilation support for
plug-in electric heating stove plate of our new design.

FIG. 3 is a bottom view of the universal ventilation support
for plug-in electric heating stove plate of our new design.

FIG. 4 is a front view of the universal ventilation support for
plug-in electric heating stove plate of our new design.

FIG. 5 is a left side view of the universal ventilation support
for plug-in electric heating stove plate of our new design.

FIG. 6 is a right side view of the universal ventilation
support for plug-in electric heating stove plate of our new
design.

FIG. 7 is a back view of the universal ventilation support for
plug-in electric heating stove plate of our new design; and,

FIG. 8 is an enlarged view of a portion of the universal
ventilation support for plug-in electric heating stove plate of
our new design.

FIG. 8 is an enlarged view of a portion of the universal
ventilation support for plug-in electric heating stove plate of
our new design.

our new design.
