(57) **CLAIM**
The ornamental design for a display screen with graphical user interface, as shown and described.

(58) **DESCRIPTION**
FIG. 1 is a front view of a display screen with graphical user interface showing my design;
FIG. 2 is a rear view thereof;
FIG. 3 is a top view thereof;
FIG. 4 is a bottom view thereof;
FIG. 5 is a left side view thereof; and,
FIG. 6 is a right side view thereof.
The broken line showing of a portable information terminal and display screen in FIG. 1 illustrates environmental subject matter and the article of manufacture, respectively. The remaining broken lines in FIG. 1 illustrate portions of a graphical user interface. The broken line showing of a portable information terminal in FIGS. 2-6 illustrates environmental subject matter. None of the broken lines form part of the claimed design.

1 Claim, 6 Drawing Sheets

The image shows a rectangular display screen with rounded corners, enclosed in a dashed border. The screen displays Japanese text and a graphical user interface for a tire pressure monitoring system (TPMS). At the top, it says "タイヤ点検履歴/タイヤ一覧(検索)/ライフメーター" (Tire inspection history/Tire list (search)/Life meter). Below this, there are two columns of information. The left column lists tire details: "タイヤ識別No: 3000300833b2ddd9014000000002", "形式: 70HZE", "状態: 新品", "装着車両: マルゼスベンツ アウトロス", and "日付: 2014/08/17". The right column lists vehicle and tire details: "メーカー: YOKOHAMA", "サイズ: 295/80 R22.5", "車両No: 横浜100212-34", "装着位置: (右前)", and "ODometer: 20000". Below the left column, there is a section titled "ID: 3000300833b2ddd9014000000002" and "PROFILE". Under "PROFILE", there is a "タイヤライフメーター" (Tire life meter) represented by a horizontal bar with a circular gauge at the end. To the right of the tire life meter, there is a section titled "< HITES情報 >" (HITES information) containing two boxes: "900kPa" and "30°C". At the bottom of the screen, there is a small disclaimer in Japanese: "※ 本画面はあくまで参考情報です。実際のタイヤの状態は、目視で確認してください。また、タイヤの空気圧は、定期的に確認してください。" (Note: This screen is only for reference information. Please visually check the actual condition of the tire. Also, please check the tire pressure regularly.)
