(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1A is a front view of an upper left portion of a display screen or portion thereof with a graphical user interface, showing our new design.

FIG. 1B is a front view of a lower left portion of a display screen or portion thereof with a graphical user interface, showing our new design.

FIG. 1C is a front view of an upper right portion of a display screen or portion thereof with a graphical user interface, showing our new design; and,

FIG. 1D is a front view of a lower right portion of a display screen or portion thereof with a graphical user interface, showing our new design.

The outermost broken line rectangle illustrates a display screen or portion thereof. The remaining broken lines are directed to all occurrences of the words “TEXT” and “CONTENT”. None of the broken lines form part of the claimed design.
