(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with a graphical user interface, showing our new design.

The outermost broken line rectangle illustrates a display screen or portion thereof. The remaining broken lines, including all text shown, illustrate portions of the graphical user interface. None of the broken lines form part of the claimed design.
