(57) **CLAIM**

We claim the ornamental design for a holster, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a holster showing my new design;

FIG. 2 is a front view thereof;

FIG. 3 is a rear view thereof;

FIG. 4 is a right side view thereof;

FIG. 5 is a left side view thereof;

FIG. 6 is a top view thereof; and,

FIG. 7 is a bottom view thereof.

Broken lines shown in the drawings illustrate structure or features which form no part of the claimed design.

We understand that the embodiments of our inventions includes features and components illustrated by the drawings herein and shown in the applications incorporated by reference, in all permutations and combinations of such components and features. In other words, we understand embodiments our inventions includes the discrete components illustrated by the drawings herein and the applications incorporated by reference, with or without specific features in the various drawings claimed. We understand embodiments of our inventions includes different combinations of such discrete components as illustrated by the drawings herein and in the applications incorporated by reference. Whereby we reserve the right and contemplate making solid lines dashed for any specific feature or component, part, car portion in the various embodiments illustrated herein and in the drawings of the applications incorporated by reference herein as we have contemplated such as being embodiments of our invention, and we reserve the right and contemplate making dashed lines solid for any specific feature or component, part, or portion.
