Primary Examiner — Susan E Krakower

Assistant Examiner — L. A. Grabenstetter

Although the case for electronic communications device in which the claimed design is embodied consists of a front cover and a back cover, the claim is directed to the ornamental appearance of the overall design and does not extend to each of the individual components.

The broken lines, and surfaces bounded by broken lines, depict parts of the article's appearance that form no part of the claimed design. The broken lines in FIGS. 9 and 10, showing an electronic device, represents environment, which forms no part of the claimed design.
