(57) **CLAIM**

The ornamental design for display screen or portion thereof with gaming graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of a display screen or portion thereof with gaming graphical user interface, showing our new design;
 FIG. 2 is a front view of a second embodiment of a display screen or portion thereof with gaming graphical user interface, showing our new design; and,
 FIG. 3 is a front view of a third embodiment of a display screen or portion thereof with gaming graphical user interface, showing our new design.
 The broken line at the periphery of the figure illustrates the display screen or portion thereof, and the remainder of the broken lines illustrates portions of the gaming graphical user interface. None of the broken lines form part of the claimed design.

1 Claim, 1 Drawing Sheet
