(57) **CLAIM**

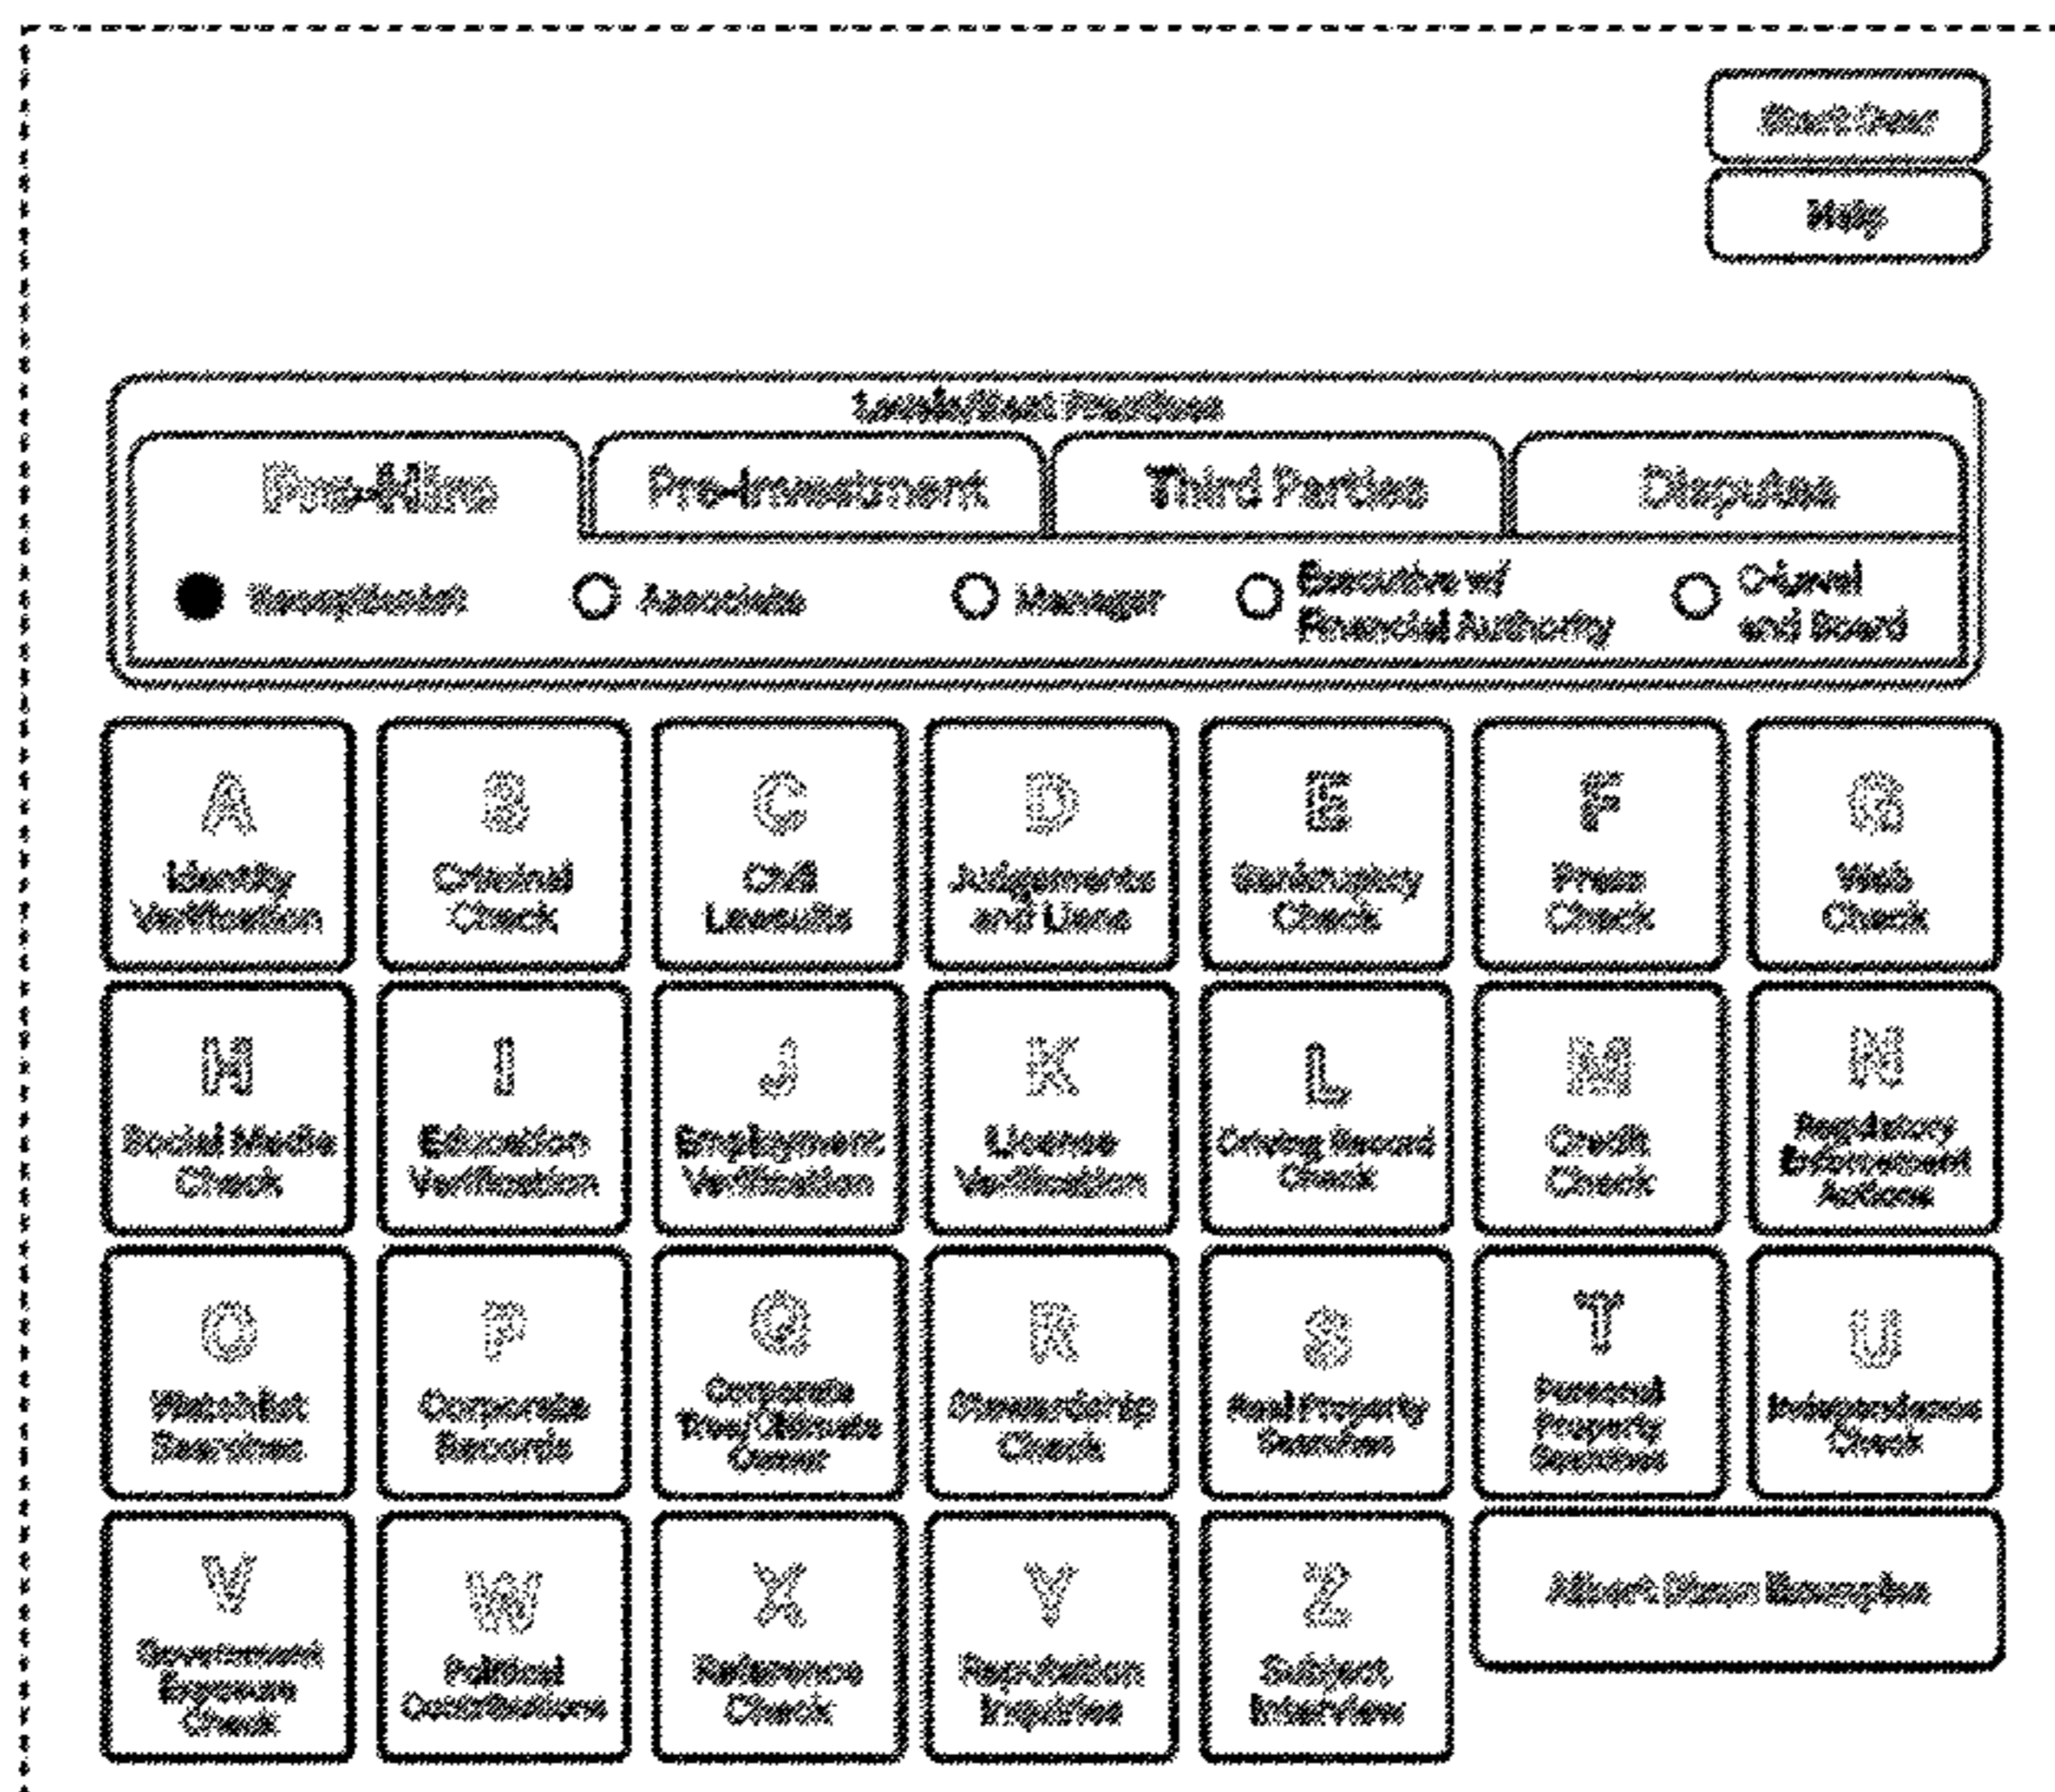

We claim the ornamental design for a display screen or
portion thereof with graphical user interface, as shown and
described.

DESCRIPTION

The sole FIGURE is a front view of a display screen with
graphical user interface.

Those portions of the display screen or portion thereof not
shown in the drawing form no part of the claimed design.
The rectangular broken-line perimeter illustrates a display
screen and forms no part of the claimed design. The remain-
ing broken lines, including all text shown, illustrate portions
of the graphical user interface and form no part of the
claimed design.
