(57) **CLAIM**

The ornamental design for display screen or portion thereof with digital visual codes graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with digital visual codes graphical user interface showing our new design; and,
FIG. 2 is a front view of a second embodiment thereof.
The broken lines showing a display screen or portion thereof and the remainder of the graphical user interface represent environment and form no part of the claimed design.
