(57) **CLAIM**

The ornamental design for a transparent door lock display package, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a transparent door lock display package showing the present design.

FIG. 2 is an enlarged front-view of the upper section of the package taken in the direction of line 2 of FIG. 1.

FIG. 3 is an enlarged front view of the lower section of the package taken in the direction of line 3 of FIG. 1.

FIG. 4 is a right side view of the package showing the present design.

FIG. 5 is a left side view of the package showing the present design.

FIG. 6 is a bottom view of the package showing the present design.

FIG. 7 is a top view of the package showing the present design.

FIG. 8 is a front perspective view of the package showing the present design

FIG. 9 is a rear perspective view of the package showing the present design.

FIG. 10 is an enlarged rear perspective view of the upper section of the package taken in the direction of line 10 of FIG. 9; and,

FIG. 11 is an enlarged rear perspective view of the lower section of the package taken in the direction of line 11 of FIG. 9.

The broken lines shown in the drawings form no part of the claimed design.
