(57) **CLAIM**

The ornamental design for a transparent door lock display package, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a transparent door lock display package showing the present design.

FIG. 2 is an enlarged front view of the upper section of the package taken in the direction of line 2 of FIG. 1.

FIG. 3 is an enlarged front view of the lower section of the package taken in the direction of line 3 of FIG. 1.

FIG. 4 is a right side view of the transparent door lock display package showing the present design.

FIG. 5 is a bottom view of the transparent door lock display package showing the present design.

FIG. 6 is a top view of the transparent door lock display package showing the present design.

FIG. 7 is another front perspective view of the transparent door lock display package showing the present design.

FIG. 8 is a rear perspective view of the transparent door lock display package showing the present design; and,

FIG. 9 a left side view of the transparent door lock display package showing the present design.

The broken lines shown in the drawings form no part of the claimed design.

1 Claim, 8 Drawing Sheets
