(57) **CLAIM**

I claim the ornamental design for a panel support member, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a panel support member showing my new design;

FIG. 2 is an end elevation view thereof, showing the panel support member in an environment of use;

FIG. 3 is a front view thereof;

FIG. 4 is a rear view thereof;

FIG. 5 is a top plan view thereof; and,

FIG. 6 is a bottom plan view thereof.

The dot-dot-dash lines in FIG. 2 illustrate environmental subject matter only and form no part of the claimed design. The panel support member is shown with a symbolic break in its length and height. The appearance of any portion of the panel support member beyond or between the jagged break lines forms no part of the claimed design.
