(57) **CLAIM**

The ornamental design for a visual status board, as shown and described.

**DESCRIPTION**

The sole FIGURE is a front elevation view of the visual status board.

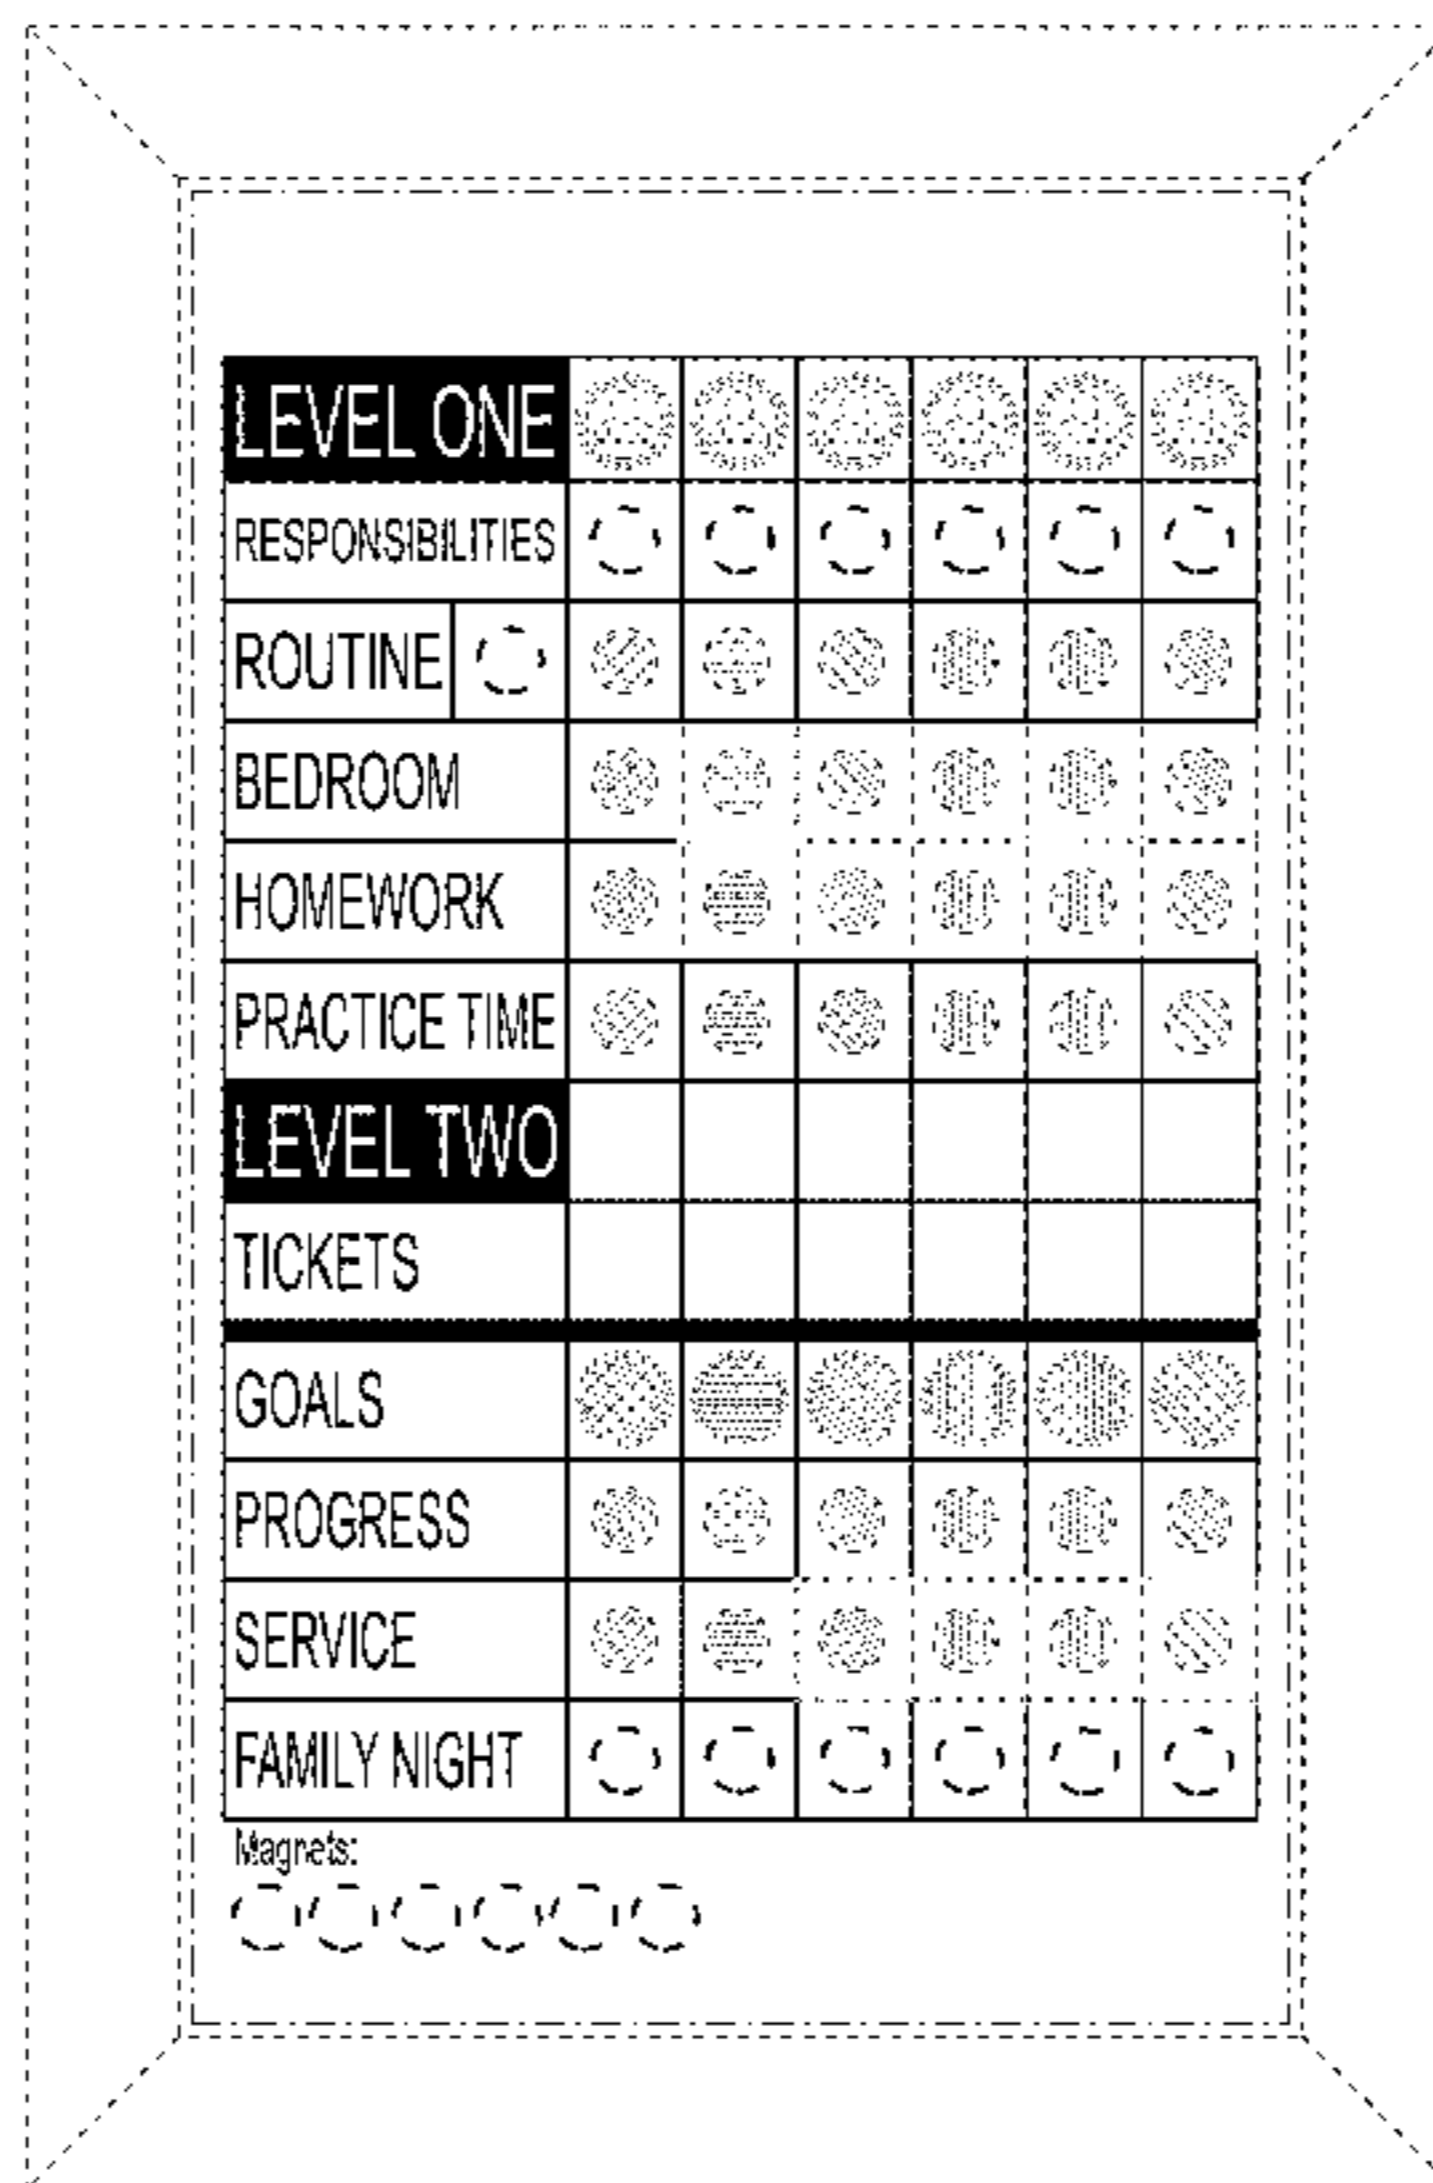

The visual status board is printed on a flat surface. The evenly spaced broken lines represent a frame and magnets for the purpose of illustrating an environment in which the visual status board may be used and form no part of the claimed design. The dot-dash broken line represents a boundary of the claimed design and forms no part thereof.
