(57) **CLAIM**

The ornamental design for a negative pressure device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a negative pressure device showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a left side elevational view thereof;

FIG. 5 is a right side elevational view thereof;

FIG. 6 is a top plan view thereof;

FIG. 7 is a bottom plan view thereof; and,

FIG. 8 is a reference view that shows the negative pressure device in use.

The broken lines depict portions of a negative pressure device that form no part of the claim.

The dash-dot-dot broken line showing of a tube in FIG. 8 is for the purpose of illustrating environment and forms no part of the claimed design.

Shading is used to illustrate the curvature of the part and not color.
