(57) **CLAIM**

The ornamental design for a scrubbing pad, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of the scrubbing pad of the present invention;  
FIG. 2 is a top plan view of the scrubbing pad of the present invention;  
FIG. 3 is a left-side elevation view of the scrubbing pad of the present invention;  
FIG. 4 is a right-side elevation view of the scrubbing pad of the present invention;  
FIG. 5 is a front elevation view of the scrubbing pad of the present invention;  
FIG. 6 is a rear elevation view of the scrubbing pad of the present invention; and,  
FIG. 7 is a cross-sectional side view of the scrubbing pad of the present invention, taken substantially along line 7-7 of FIG. 2 and looking in the direction of the arrows, the reverse direction view along line 7-7 being a mirror image thereof. The portions of the scrubbing pad shown in broken lines form no part of the claimed design. The portions of the scrubbing pad that are not visible are plain and unadorned.
