(57) **CLAIM**

The ornamental design for an combined electrical receptacle
and over braided cord, as shown and described.

DESCRIPTION

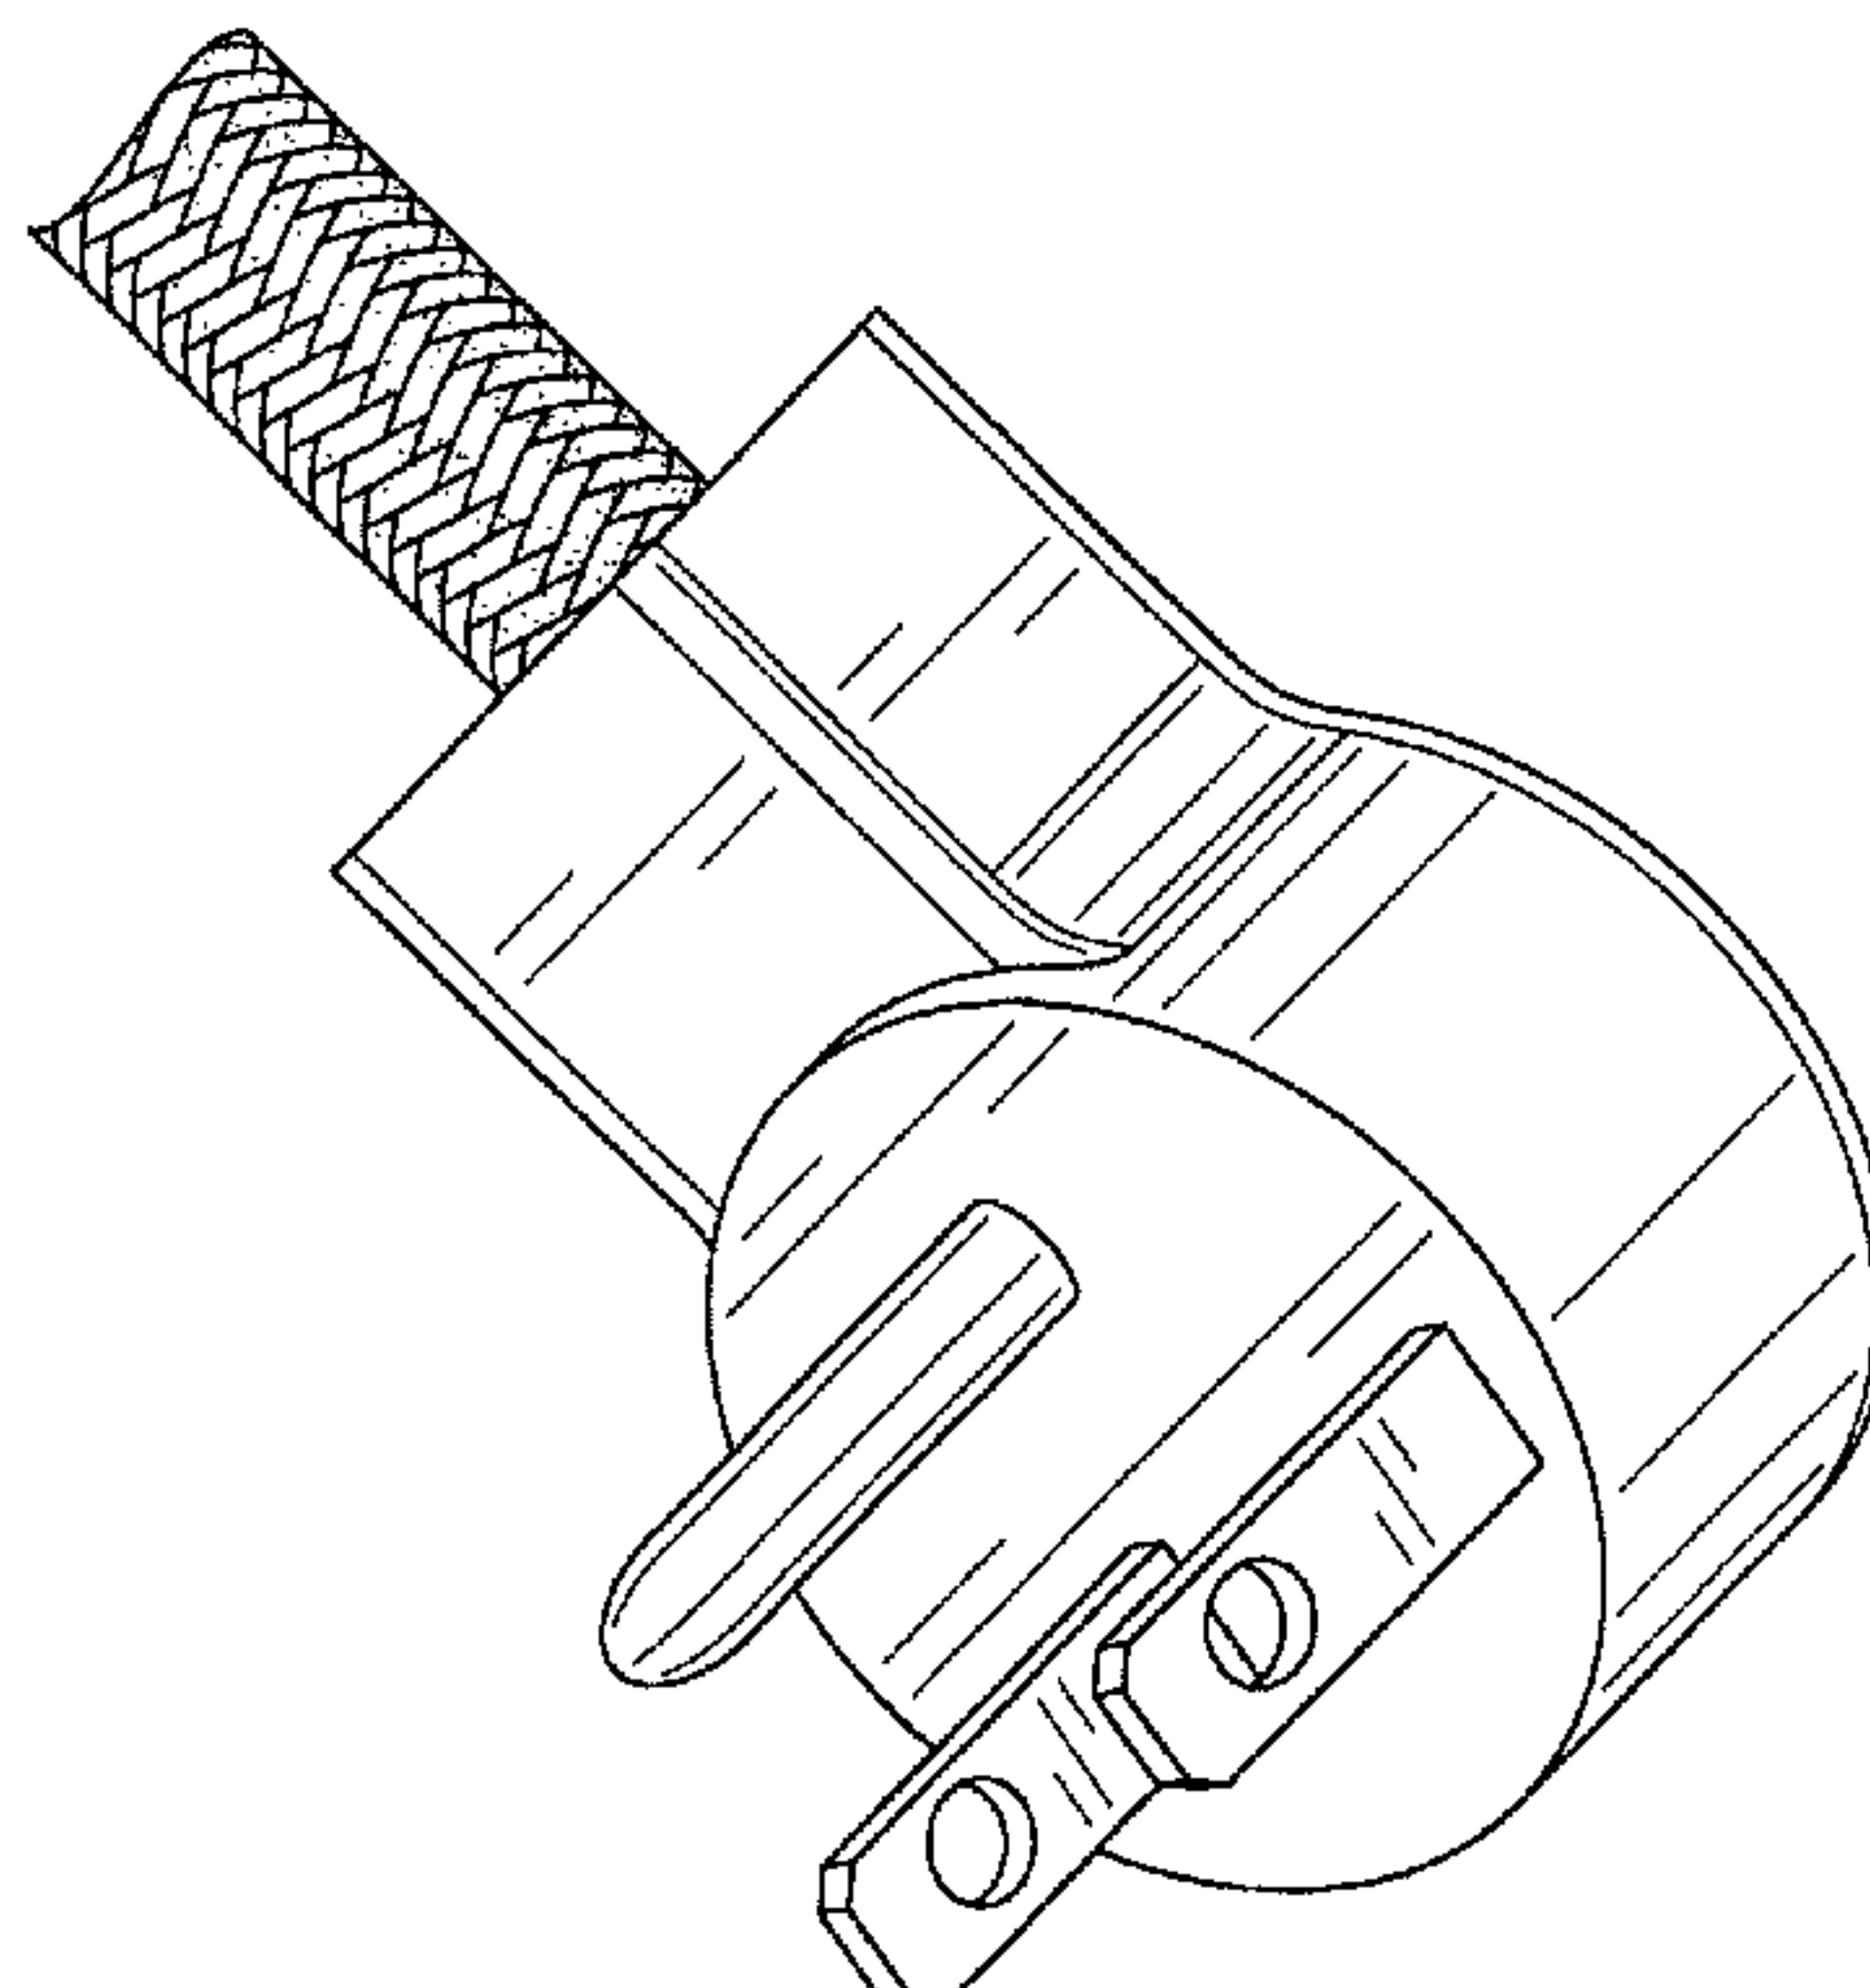

FIG. 1 is a front perspective view of an combined electrical
receptacle and over braided cord according to my design,
where the electrical receptacle is a right-angle plug;

FIG. 2 is a front perspective view of a variation of the design
of FIG. 1; and,

FIG. 3 is a back perspective view of the design of FIG. 2,
where such view is also representative of the plug portion of
the design of FIG. 1.

In the drawings, the broken lines are for the purpose of
illustrating environment only and form no part of the
claimed design.

1 Claim, 3 Drawing Sheets
