(57) **CLAIM**

We claim the ornamental design for a display screen or
portion thereof with graphical user interface, as shown and
described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or
portion thereof with graphical user interface in accordance
with a first embodiment of the invention.

The broken line in the sole FIGURE shows portions of the
display screen or a portion thereof for the purpose of
illustrating environmental structure and forms no part of the
claimed design.
