(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE shows a display screen or portion thereof with graphical user interface showing our new design. The peripheral dashed broken lines illustrate a display screen or portion thereof, and form no part of the claimed design.

The broken line text and the portion within forms no part of the claimed design. The broken line to the left of the text illustrates a boundary which forms no part of the claimed design and the portion of the graphical user interface within forms no part of the claimed design.

1 Claim, 1 Drawing Sheet
