FIG. 1 is a front view of a display screen or portion thereof with graphical user interface containing menu bar showing the claimed design; and,

FIG. 2 is the enlarged front view thereof.

The dash-dot-dash broken lines surrounding the graphical user interface containing menu bar define the boundary of the claimed design and form no part thereof.

(Continued)

All of the evenly spaced broken lines illustrate the display screen or portion thereof, and form no part of the claimed design.

Written letters in broken lines shown in the dash-dot-dash broken lines illustrate portions of the graphical user interface containing menu bar and form no part of the claimed design.
