(57) **CLAIM**

The ornamental design for a gaming machine with curved display, as shown and described.

DESCRIPTION

FIG. 1 is a left front perspective view of a gaming machine with curved display;
FIG. 2 is a right front perspective view thereof;
FIG. 3 is a front view thereof; and,
FIG. 4 is a right side view thereof, the left side view being a mirror image thereof.

The broken line at the top of the shaded base element represents a boundary of the design and forms no part thereof. The broken lines depicting the remainder of the gaming machine with curved display show features that form no part of the claimed design. The oblique line shading on the curved display depicts a transparent, translucent, highly polished or reflective surface.

1 Claim, 3 Drawing Sheets
