(57) **CLAIM**

The ornamental design for a tool bin for a bucket truck, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the tool bin for a bucket truck.

FIG. 2 is a perspective view of a U-channel component used with the tool bin for a bucket truck.

FIG. 3 is a further alternate perspective view of the U-channel component used with tool bin for a bucket truck.

FIG. 4 is a front elevation of the U-channel component used with the tool bin for a bucket truck.

FIG. 5 is a bottom plan view of the U-channel component used with the tool bin for a bucket truck.

FIG. 6 is a top plan view of the U-channel component used with the tool bin for a bucket truck.

FIG. 7 side elevation of the U-channel component used with the tool bin for a bucket truck.

FIG. 8 is a sectional view of the U-channel component used with the tool bin for a bucket truck, taken along line VIII-VIII in FIG. 6.

FIG. 9 is a sectional view of the U-channel component used with the bin for a bucket truck, taken along line IX-IX in FIG. 6.

FIG. 10 is a perspective view of a storage bin for use with the tool bin for a bucket truck.

FIG. 11 is an alternate perspective view of a storage bin for use with the tool bin for a bucket truck.

FIG. 12 is a bottom plan view of a storage bin for use with the tool bin for a bucket truck.

FIG. 13 is a top plan view of a storage bin for use with the tool bin for a bucket truck.

FIG. 14 is a side elevation of a storage bin for use with the tool bin for a bucket truck.

FIG. 15 is a front elevation of a storage bin for use with the tool bin for a bucket truck.

FIG. 16 is a sectional view of the storage bin used with the tool bin for a bucket truck, taken along line XVI-XVI in FIG. 13; and,

FIG. 17 is a sectional view of the storage bin used with the tool bin for a bucket truck, taken along line XVII-XVII in FIG. 13.

The broken lines showing support structure, dividing structure, and holes are included for the purpose of illustrating environment and forms no part of the claimed design.

1 Claim, 8 Drawing Sheets
