Eastman McCartney Dallmann LLP

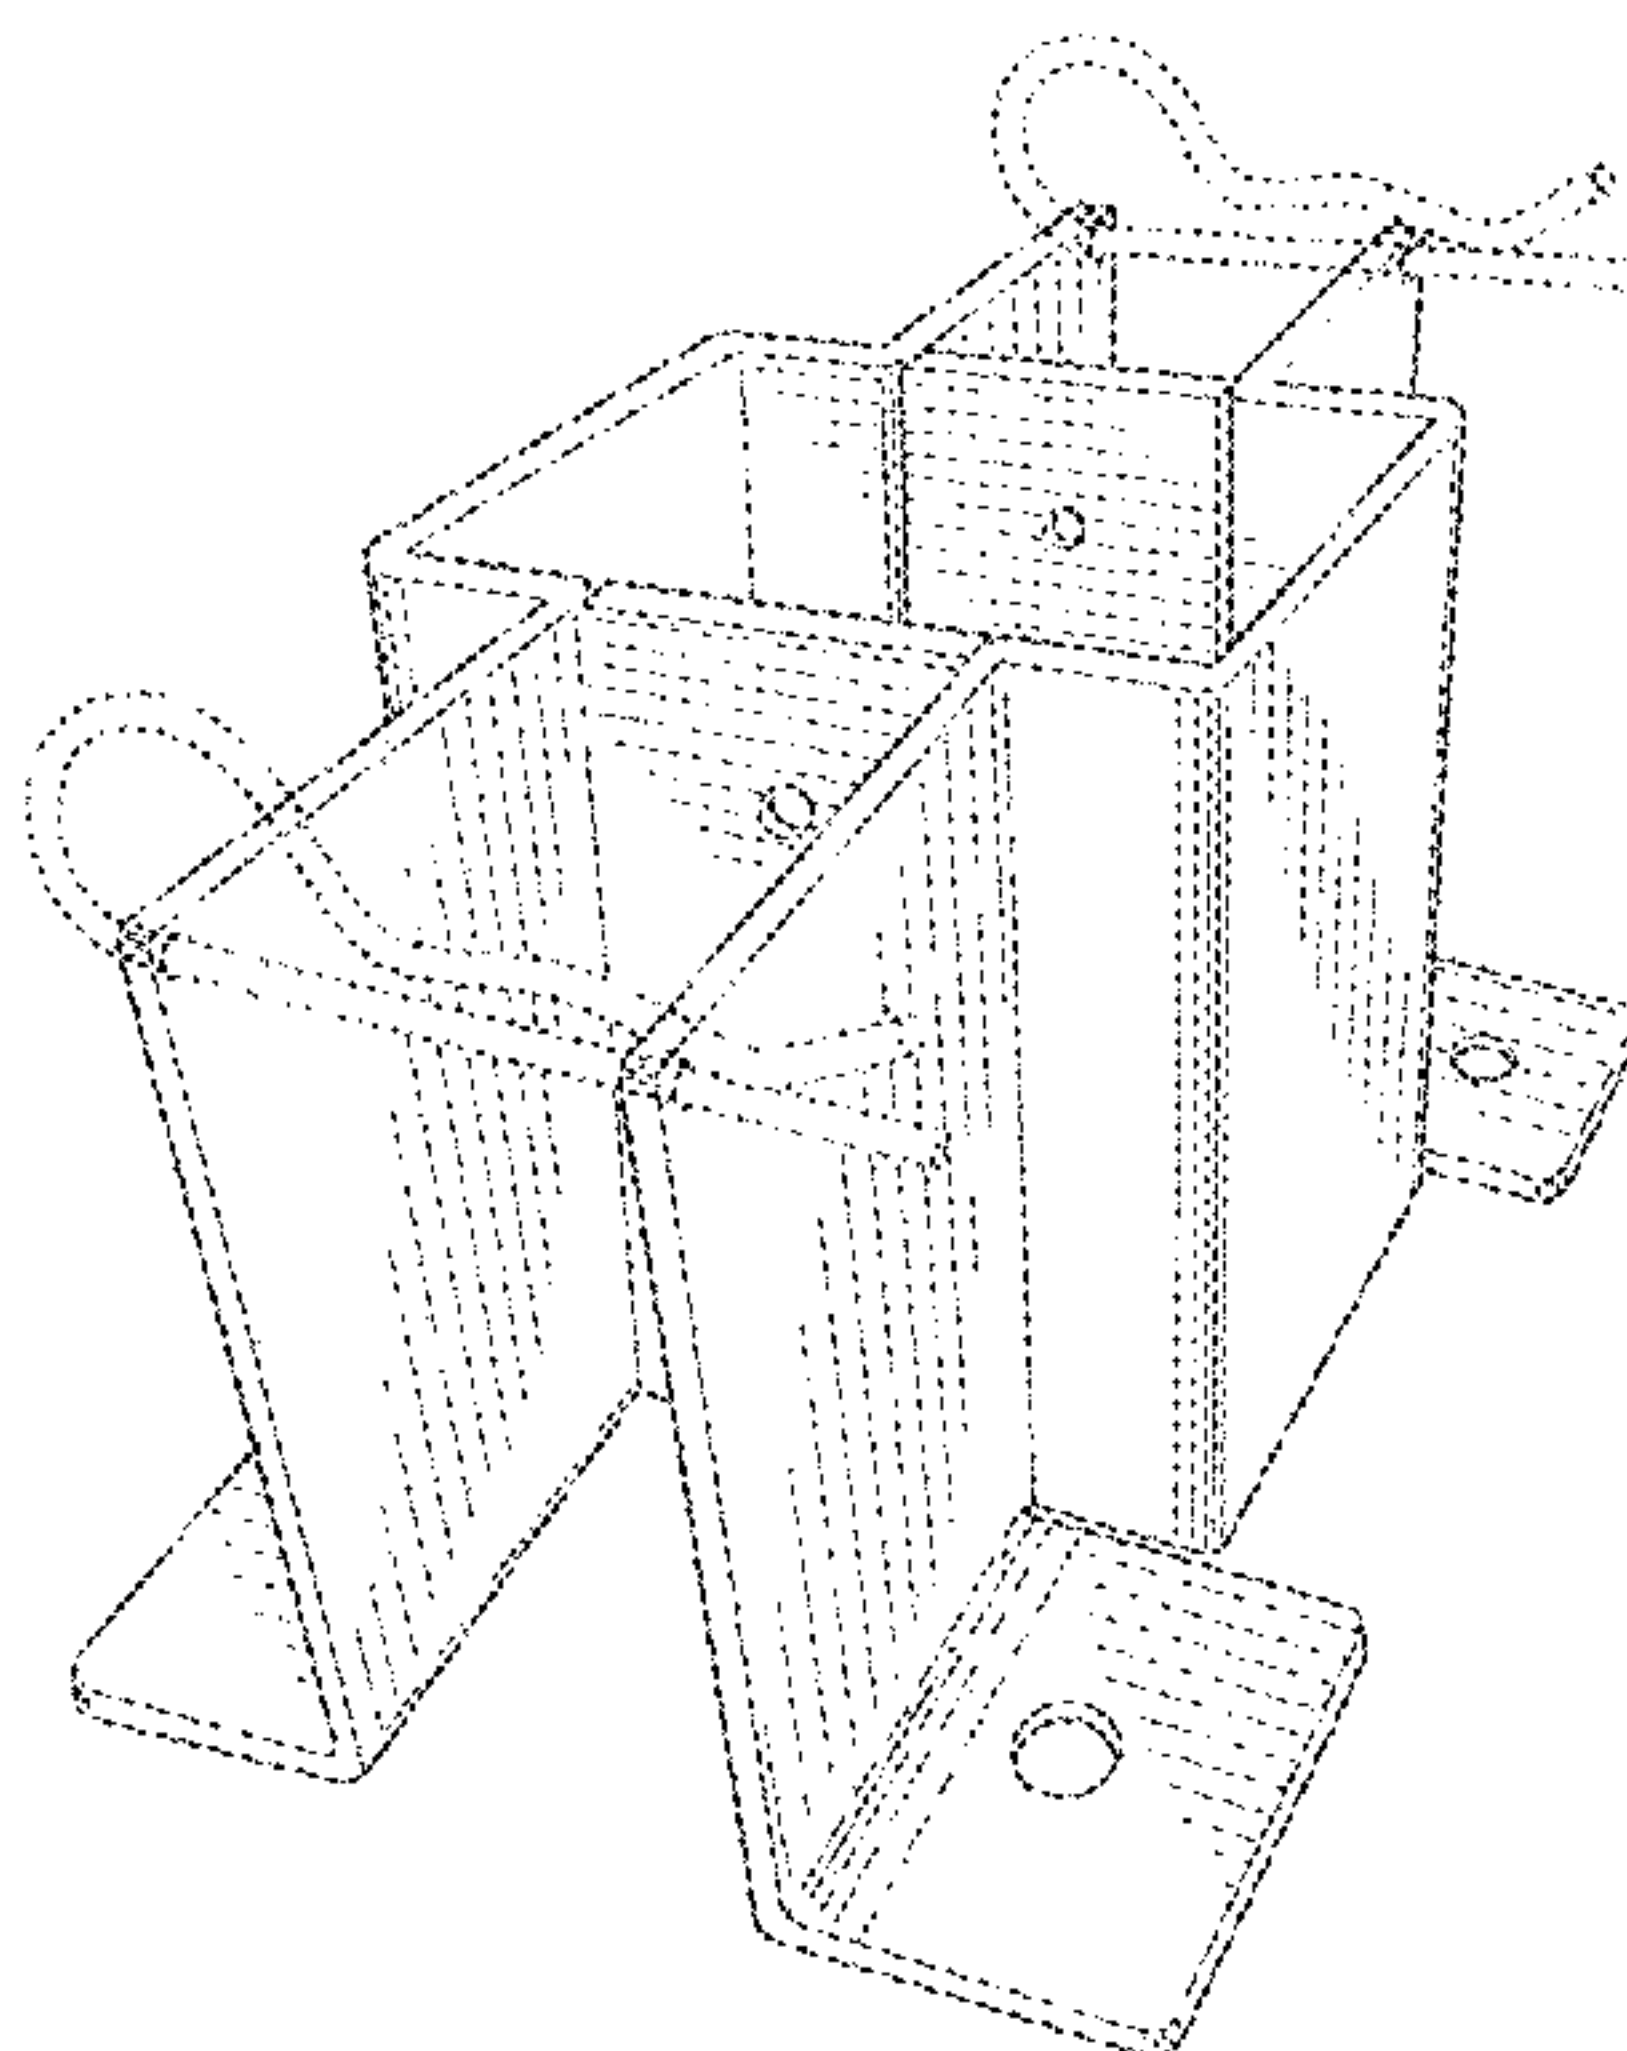

(57) **CLAIM**

The ornamental design for a construction safety handrail support bracket, as shown and described.

DESCRIPTION

FIG. 1 is a top-front perspective view of the construction safety handrail support bracket showing my new design; FIG. 2 is a bottom plan view of the construction safety handrail support bracket; FIG. 3 is a top plan view of the construction safety handrail support bracket; FIG. 4 is a front elevational view of the construction safety handrail support bracket; FIG. 5 is a back elevational view of the construction safety handrail support bracket; FIG. 6 is a right side elevational view of the construction safety handrail support bracket; FIG. 7 is a left side elevational view of the construction safety handrail support bracket; and, FIG. 8 is a bottom-back perspective view of the construction safety handrail support bracket. The retaining clips shown in broken lines depict environmental subject matter only and form no part of the claimed design.
