(57) **CLAIM**

The ornamental design for a basketball light raising and lowering apparatus, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the basketball light raising and lowering apparatus in a raised position.

FIG. 2 a perspective view of the basketball light raising and lowering apparatus in a lowered position.

FIG. 3 is right side view of the basketball light raising and lowering apparatus, the left side view is symmetric.

FIG. 4 is a top view of the basketball light raising and lowering apparatus.

FIG. 5 is a lower view of the basketball light raising and lowering apparatus.

FIG. 6 is a rear view of the basketball light raising and lowering apparatus; and,

FIG. 7 is a front view of the basketball light raising and lowering apparatus.

The broken lines represent portions of the basketball light raising and lower apparatus that form no part of the claimed design.

1 Claim, 4 Drawing Sheets
